| <b>Inter-Action: Multiculturalism Funding Program - Project Component</b> | Government of Canada, Dept of Canadian Heritage | The Projects component of the Inter-Action: Multiculturalism Funding Program provides funding for community development and engagement projects that are national in scope. These projects promote diversity and inclusion by encouraging positive interaction between cultural, religious and ethnic communities in Canada. Priority is given to projects that:<br>~work toward the elimination of discrimination, racism and prejudice;<br>~provide opportunities for youth community engagement; and<br>~bring people together through art, culture and/or sport.<br>To be eligible for funding your project must:<br>~be national in scope and be delivered or have an impact in three or more provinces and/or territories (Note: projects focused primarily on a single geographic community may be eligible if it is demonstrated that materials produced as a result of the projects, such as learning materials, tools and training sessions, etc., are communicated broadly and made publicly available for free);<br>~involve more than one single cultural, religious or ethnic community and establish concrete opportunities for positive interaction among them. | NP   |   | No deadline. 18 weeks before event          | <a href="https://www.canada.ca/en/canadian-heritage/services/funding/community-multiculturalism-anti-racism.html">https://www.canada.ca/en/canadian-heritage/services/funding/community-multiculturalism-anti-racism.html</a>                         |
