New Year's Day Fireworks Party

Come celebrate the beginning of 2018 with neighbours and friends! Lendrum is hosting a New Year's Day party, January 1, 2018 from 3:30-5:30 pm at the hall.

Come down for some shinny, sledding, skating, and a great fireworks display when the sun goes down. Sunset is expected at 4:25 so fireworks will be about 5:15, when it's dark enough.

Bring your leftover holiday treats, and your new holiday games to the hall where you can warm up with hot chocolate, popcorn and good company.

Hope to see you there! Any questions, please contact social@lendrum.org.

Photo Contest

The Lendrum Community League is looking for photographs of our community and activities to help us decorate the hall. We are looking for high resolution photos.

Please submit your favourite images of our community to newsletter@lendrum.org

Photos that are not selected for display may published in the newsletter.

Greetings

President's Message

I would like to give a huge shout out to all our Lendrum volunteers! From planning events, to setting mousetraps, to delivering fluers, to representing Lendrum at City of Edmonton events, to writing grants, to sweeping the hall, to coaching soccer, to flooding ice, to cutting grass, to picking weeds, to fixing up the hall, to collecting bottles, to meeting with enghbors, to updating our website, to updating the sign, to setting up classes, and on and on the list goes. Thank you to ALL our volunteers for your contributions, big or small, to make Lendrum such an amazing place to live.

Autonomous Cars On Farm

The University is testing an autonomous cars on the university farm. The car is about the size of a golf car but can fit 15 people and it is electric powered. There will always be a driver present. Testing of the vehicle will last 2 hours at a time. Car and pedestrian traffic on specific farm roads will be prohibited at the time of the test. There will be signs to direct pedestrians. Google, Apple and Tesla are funding the research.

Crime Tasks Force

Parkallen started a crime task force in cooperation with Lendrum and other community leagues. The task force met with Edmonton Police Service in October. Police strongly encourage people to formally report all crime. Call 911 for any crime in progress. You can report theft under \$5000 online at edmontonpolice.ca. See the Contacts link on that site.

Crime Tips

Police suggest having exterior motion activated lights and video surveillance for your house. Video surveillance tapes of crimes help police identify suspects. Contact LendrumWatch@gmail.com if you have questions. Report crimes in progress to 911.

New Bus Routes Are Proposed

Edmonton's bus routes are changing. The City is hoping to improve service by providing increased frequency on main routes and having community feeders. Lendrum will have a community bus route under the new plan. If you value the local bus route, send the City an email. See the following link for more information:

https://www.edmonton.ca/projects_plans/transit/bus-network-redesign.aspx

LRT Warning Bells

Lendrum residents were concerned about the loudness of LRT warnings at the 60th street crossing. The City provided the following information about the signals: All Edmonton LRT signals are set between 80dB and 95dB. At the 60th street pedestrian crossing signals are set at 80dB and the vehicle bells are turned off. The City does test the loudness of signals periodically.

Alberta Health Services New Lab

The Alberta Health Services has exterior design drawings for its lab that will be north of the school for the deaf. See the following link for pictures. <https://together4health.albertahealthservices.ca/edmonton-lab-hub>

An engineering consultant reviewed potential traffic flows and recommended a 500 lot parkade and some road modifications for the 1000 new employees. Traffic is not anticipated to change noticeably.

Capital Region Housing Project on 60th Street

The new Capital Region Housing building north of 60th Avenue is delayed. Demolition and construction will begin in summer 2019 and construction is anticipated to take two years. Current residents must leave by May 2019.

Community Energy Efficiency Projects

If you are interested in coordinating a community green energy project - such as installing solar panels on the community league building - the City is accepting applications for funding. See the following website:

Turkey Trot

Thank you to everyone who came out for the Turkey Trot at the end of September. We had about 35 people for a brisk run and walk through our beautiful neighbourhood.

A big thank you to the Tim Hortons near the Rexall for donating our after run muffins and donuts, and to Lendrum resident Su Chun for donating the turkey. Congratulations to Nathan, who won the turkey!

Chili Cookoff

Congratulations to the winners of the 2018 Chili Cookoff!

Neighbourhood Choice: Marianne Meen

Best Traditional: Henry Cook

Best Vegetarian: Annamarie Yang

The cookoff was a great success as the packed hall can attest to. Big thanks to Michael Hawkey and Ben Willing for organizing the event and to all the chili makers and volunteers who's work made the evening a success!

An extra-special thank you to the Glass Monkeye for donating a great surprise and for entering a fantastic chili!

School News

École Lendrum School is pleased to report we have 292 students! We enrol children from the Lendrum, Pleasantview, and Malmo neighbourhoods. Our school is dual track, with an English strand from Kindergarten to Grade 6, and a French Immersion strand from Kindergarten to Grade 4.

Thanks to our Lendrum community for helping maintain our garden over the summer. Despite the challenging weather this fall, Mme Lewis and friends were able to harvest a “bumper crop” of tomatoes and make fresh salsa for the school! We recently hosted Will Stroet from CBC Will’s Jams, and the Alberta Opera Company, who presented their interpretation of Pinocchio. Event like these are made possible through the hard work of our Parent Advisory Council (PAC), whose fundraising goes directly to opportunities for our students. We appreciate our community support!

Upcoming events include “Future Me Day” on November 22nd, at which time our kiddoes are encouraged to dress as their interpretation of themselves in the future - either what they will look like, or according to their occupation of choice! We will also feature a Christmas Evening on December 19th, from 18:30 to 19:30. On December 21st, we will celebrate the end of our first 4 months of school by having Pyjama Day, along with a movie in our gym in the afternoon.

On behalf of our staff team, we extend a hearty “Thank you/Merci” to our Lendrum community. Best wishes for a great November/December!

Jason Ludwar
Principal/Directeur

Greetings from École Avalon School. It has been a busy summer and fall at the school. We have had our exterior windows replaced over the past year and we have included security grills to provide additional protection from vandalism. The school is currently having a lighting upgrade as we switch our lights over to the more reliable and efficient LED fixtures. This includes the exterior lighting so neighbours may notice the different lights around the school in the coming months. Over the summer we also had the replacement of the basketball tarmac at the back of the school. It is now a much safer surface for students and community members to enjoy.

Avalon has grown from last year and now has close to 500 students enrolled. This continues to be great news for the viability of the school. Of the almost 500 students, approximately 140 live in the school catchment area. That means that Avalon continues to be a school of choice. We currently have students attending from 32 different junior high areas in Edmonton. The many families that visit Avalon witness the beautiful park and lush sports fields that are maintained by Lendrum community volunteers. We thank you for allowing us to be a partner in the community.

Thank you to the Juventus Soccer Team for your generous donation of \$300 towards maintenance costs of our fields.

This U14 Tier 1 Provincial Championship team uses the Lendrum fields on a regular basis and it is wonderful to see success stories like this - the little bit we do towards supplying quality, safe playing surfaces goes a long way.

Congratulations to the U14 Juventus Soccer Team!
