Athletic Park

A big thank you to all the folks helping out with the Athletic Park. So far we are on track towards keeping this area as one of the best facilities in Edmonton. The goal is to make this the hub of our community. With 2 schools, the community hall and a whole range of athletic spaces, the area attracts large and small groups for a few minutes or a whole day event. For example, when factoring in school events, Soccer Games & Clinics, team practices, Beach volleyball, baseball, walkers, joggers, and our very own Community BBQ the space will host over 5000 visits in the month of June. Not only is this space for local residents...nearly half of these visits are from people outside the community. Everyone of these people are potential new neighbours or students at one of our fantastic schools... **SO VOLUNTEERS ...KEEP UP THE GREAT WORK AS IT REALLY IS SO MUCH MORE THAN JUST GRASS, TREES & SHRUBS.** Lendrum Residents...no mater if you are jogging , riding or just taking a leisurely stroll, you can help these folks out by picking up litter & deterring vandalism by just being there.

New, Lendrum Walking Group for the slower folks, and can include use of canes.

Once per week, Wednesdays, 9AM - 9:30AM, beginning June 9, 2010.

Meet at the Lendrum Community League front door.

We will begin with as short a walk as needed for everyone to keep up. If walking to the building is as much as you can do to begin, there will be others there who share your level of energy.

Janet Smith, group organizer.

Bulletin Board & Forum

Now that Outdoor soccer is starting to wind down... Mark on your calendar Indoor Soccer registration dates are confirmed for Yellowbird: Sept. 8 (6:30pm to 9) and Sept. 11 (10:30am to 2pm). Watch the website over the summer for more info.

Reminder: Volleyball Courts & Soccer Nets are available to community members at no charge...Call Lance or Harvey for access to equipment (see back page for contact info)

Operation Speed Bump

Lendrum residents you have the potential of making life a little slower for motorists that are using our streets as a race track & short cut. When ever possible make your

route in and out of the community along the 30km zone in front of Avalon School. Make sure you drive no faster than 30km....by doing this you will frustrate speeders that are using the route as a short cut. In addition we will be requesting more speed traps and police presence to help curb the high speeds and people using it as a fast through route. By saying below 40km in non marked areas and 30km in marked areas we will slow down traffic and make Lendrum a safer & quieter place to live.

Over the upcoming year we will be asking the City to develop traffic calming measures which will decrease the current problems and minimize any future ones caused by south campus development.

THANK YOU!!!

We want to send a huge thanks to Joanne Leicht for her work in programs over the last year. Joanne brought a high level of awareness to Sr issues and programs

[Stay safe around LRT - Be TraXSafe](#)

Use caution and obey all traffic signals and controls. Stay safe around the LRT!

GRAFFITI MANAGEMENT PROGRAM

Is now taking applications for its 2009 Removal Programs.

Capital City Clean Ups' Graffiti Management Program

(GMP) is now taking applications for its 2009 Removal Programs. The City once again has many opportunities for groups to remove graffiti from their sites. Through their three initiatives, Graffiti Wipe Outs, Commercial Cleaning Program, and Free Graffiti Cleanup Kits, the City is providing grants and tools for you to remove graffiti. For more information and applications, check out the website at www.edmonton.ca/capitalcitycleanup.

Please remember to report graffiti on both private and public property by calling 311.

The New 3R's (for Graffiti Prevention): Record, Report and Remove

We've all heard about the basic 3 Rs of waste management: Reduce, Reuse, Recycle. Capital City Clean Up has put together three new R's to help us get rid of graffiti.

RECORD

If you find graffiti on your property, take a picture of it for police evidence and insurance purposes. Note the location and any other details you can recall and if possible, make a note of when the crime happened.

REPORT

There are three options. If you see vandals creating graffiti in progress, call 911. Should you find it on your own property, call the police at 780-423-4567. Finally, if you spot graffiti anywhere else in Edmonton, whether on public or private property, call the city at 311.

REMOVE

Under the City's new Bylaw 14600, property owners who don't remove graffiti within a reasonable time may be fined \$250. Keep a record of your paint brand and colour so you can easily cover it up or hire a private contractor. You can also call the Graffiti Management Program at 442-5302 to ask about a graffiti removal kit or to sign up for a Graffiti Wipe-Out event. Ignoring graffiti makes it spread, notes Sharon Chapman, Graffiti Project Manager for Capital City Clean Up that creates an environment in which crime can thrive. "If you leave it, you're supporting it."

Don't be a Victim - Prevention is the KEY!

REMEMBER: IF THEY CAN'T SEE IT THEY CAN'T STEAL IT

- Auto theft costs Albertans \$60 million a year in insurance claims.
- Many vehicles are stolen from parking lots, shopping centres, airports and even residential driveways.

How to protect yourself against vehicle theft:

- Park in a sensible place, avoiding unlit areas at night.
- Remove the ignition key and activate the steering lock.
- Lock your doors and close all windows.
- Hide your valuables out of sight or take them with you.
- Take extra keys out of your vehicle.

Common items stolen from vehicles:

- Laptops
- Radar Detectors
- Shopping Packages
- Purses
- Compact Discs
- Stereos
- MP3 Players
- Briefcases
- Tools
- Personal Documents

Lendrum hosts 1st FC Edmonton Youth Soccer Clinic

The Lendrum Athletic Park was a buzz with 400 local 7-12 year old players attending a free clinic on June 12th. Together Lendrum and Greenfields communities put together an awesome day for youth to get a look at the new players and coaches with FC Edmonton while learning from them.

The event included two older youth teams that worked as assigned hosts to the over 40 visiting teams. Teams that participated rotated through 5 stations as a team...this in it's self was unique and allowed players to work with their own team mates and coaches who assisted the FC staff.

Lendrum and Greenfield volunteers pulled this event together in just 18 days which was remarkable. To achieve this there were over 50 volunteers from Lendrum, Greenfield, & the Edmonton Scottish Soccer Club . Our Playground Committee and a U18 Scottish Girls Team put on a fantastic concession which included nearly anything you could have desired. With over

150 parents & spectators watching the event from the hills surrounding the park the concessions stayed busy on what was a beautiful summer day.

FC Edmonton was so impressed with our community they have indicated a desire to come back again with a clinic for the older kids...they also showed their appreciation by supplying every volunteer with a free FC t-shirt and an invite to bring a guest to an upcoming FC game.

FC Edmonton has also committed to participating in our annual BBQ and Soccer Wind up on June 26th...watch for a skills zone with kick nets and a possible player or two.

Thanks once again to all the volunteers... You made the difference!!!
