Easter Trivia...

The most famous decorated Easter eggs were those made by the well-known goldsmith, Peter Carl Faberge. In 1883 the Russian Czar, Alexander, commissioned Faberge to make a special Easter gift for his wife, the Empress Marie. The first Faberge egg was an egg within an egg. It had an outside shell of platinum and enameled white which opened to reveal a smaller gold egg. The smaller egg, in turn, opened to display a golden chicken and a jeweled replica of the Imperial crown. This special Faberge egg so delighted the Czarina that the Czar promptly ordered the Faberge firm to design further eggs to be delivered every Easter. In later years Nicholas II, Alexander's son, continued the custom. Fifty-seven eggs were made in all.

Easter Jokes

- What is the difference between a crazy bunny and a counterfeit banknote? One is bad money and the other is a mad bur
- Why did the Easter egg hide? He was a little chicken!
- What do you get when you cross a bunny with an onion? A bunion
- What did the bunny want to do when he grew up? Join the Hare Force.
- What does a bunny use when it goes swimming? A hare-net.
- What did the grey rabbit say to the blue rabbit? Cheer up!
- What do you get when you pour hot water down a rabbit hole? A hot cross bunny.
- How does the Easter Bunny say Happy Easter? Hoppy Easter

Help Needed

for our summer BBQ in June... We need you to make it the best ever!!!

INTRODUCTION TO PRUNING SHRUBS

Here's an opportunity for residents of Lendrum & surrounding neighborhoods to learn pruning from horticulturist and instructor in the Organic Master Gardener program, Lorraine Taylor. Lorraine will walk us through the basics of pruning, demonstrate pruning techniques and supervise our practice in the natural area of Lendrum Athletic Park. Come dressed for the weather, bring your pruning tools and meet at the Lendrum Community Hall on Thursday, May 5 5:30 p.m(2.5 hours)

For information and to register, please email Bonnie at robon@telusplanet.net.

A fee of \$20 is payable on arrival.
Maximum 35 participants.

Our Playground

Lendrum Park Re-Development Program:

Just an update to the playground initiative in our neighbourhood we would like to thank all of the supporters for the raffle we raised in excess of 1500.00 for the playgrounds and in reality after grants any money we raise gets matched so we are getting closer to our goal everyday. The Grand prize was awarded to Glen Miller who is a hard working individual in our community and he will decide which charity he donates the prize to. Our winterfest was a big success we had the city come out and make bannock, two playground reps attended to hand out information and many kids enjoyed coloring the playground designs they were able to provide.

We are now at a stage where we need your input for design, colors and general look that we want to have for a playground. We will be putting on various information sessions where you will help with design ideas and components of the playground itself. Once we have a good idea of design we will be allowing the community to vote on the ideas and get input from our kids as well.

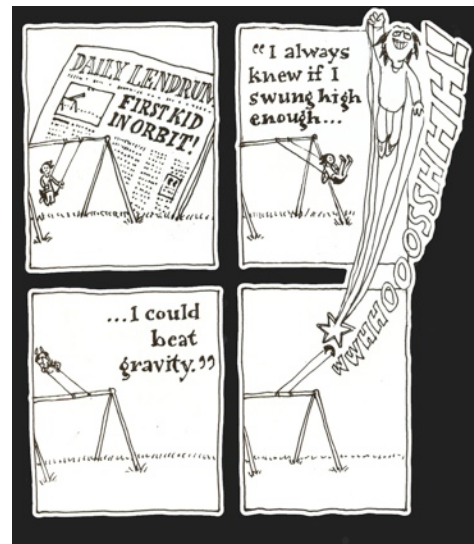

As a committee we are working hard at fundraising and would like your support at these functions tell your friends and family . We have had some corporate donations and many individual monthly donations. If you would like to support us on your terms let us know how we can accommodate you. If you are working for a company who would like to donate then please forward their information to me or one of the redevelopment committee members. Ron Grelowski ronandjo@shaw.ca. There are many ways to donate and get involved with the process and we are always looking for more hands to help out.

Thank you
Ron Grelowski

Lendrum Playground Redevelopment Committee Fundraisers

Summer's coming...

Do you know what the coolest kids will be wearing this year?
These!

The Lendrum Playground Redevelopment Committee is selling these truly unique t-shirts, designed exclusively for our cause. Each high-quality cotton t-shirt is \$20, with all the profits going towards the funding of new playgrounds in our community. Each t-shirt design is available in child and youth sizes. The Diva design is available in a bright pink and blue. The Swing design is available in blue and red.

Perfect for the kids, grandkids, nephews, nieces and young friends in your life!

We are taking orders now.

Please contact Elizabeth at tomandliz@shaw.ca or (780) 451-5378, or Ron at ronandjo@shaw.ca or (780) 463-7079 to order t-shirts. Or, you can order through Lendrum School.

Order forms are available at the school office.

Order deadline is at the end of June, 2011.

As always, thanks for your support!

Lendrum Residents, Parents and Grandparents

we are currently in the design stage of our new playground. We need your help to decide on the colors and style that we would like to have as a continuing legacy for years to come. Our kids in my opinion are the future of our neighbourhood so I am investing my time and energy into building a safe and fun environment to allow our kids to stay close to home. They will in turn invite friends here where we know our neighbours and trust that people are looking out for them. As we narrow down the possibilities your input will be the personal touch that will make the difference between our community and all of the other ones surrounding us. Think about what a community is to you and help us show that to the hundreds of people who visit our community every year.

There are many items available that allow our children to explore gravity, balance and strength. Be a part of the momentum and attend the planning sessions with or without your kids. Let your voice be heard allow us to create an amazing space for our families to gather and enjoy the laughter of the children.

Take a few steps in your children's shoes and visit some of the parks in our city there are some incredible areas for your kids to have fun. Some of the new playgrounds that are recommended are Belgravia, Jackie Parker, Greenfield, and Bonnie Doon These playgrounds will have many unique structures and if you could please talk to your kids and get a picture of their favourite. With your help we can create the best space for our kids to enjoy for years to come.

The Playground Committee is selling **Sobeys giftcards** as a fundraiser. These gift cards have no expiry date and are valid at all Sobeys in Western Canada. This offers a chance to give something back to the community while doing your everyday shopping! Please feel free to ask your friends and family to purchase gift cards through us!

Fill out this form and drop it off with your cheque (made out to **Lendrum Community League**) at 11352 – 57th ave. Please do not leave cash in the mailbox!

We hope to continue doing this on an ongoing basis, so make us a habit!

Lendrum Area Schools

Lendrum School News

March has been a very full month at Lendrum School. Francis Alty-Arscott, watercolour artist extraordinaire, spent a 3 day residency with the Lendrum students. The paintings that the children created were absolutely FANTASTIC!

March also saw the end of term 2, with progress reports issued and Celebration of Learning held. Students were able to "show off" their learning and their projects to their parents at this Celebration. Our Open House was held on St. Patrick's Day – March 17. We had a lot of interested new parents attend. The Kindergarten Question & Answer night will be held on April 5 from 7:00 – 7:45 p.m. This is an evening specifically for Kindergarten parents to tour our fabulous school and learn what Kindergarten is all about.

After hearing the terrible news of the devastating events in Japan, Lendrum's extremely empathetic grade 6 students rallied the entire school to participate in a week of fundraising for Japan. Although the totals are not in yet, a conservative estimate would be that \$ 600.00 was raised.

Thank you to Mr. Bauer and his grade 6 students for their caring and kind actions. Thank you to all the Lendrum students for participating and helping raise these much needed funds.

Congratulations to the running club members who qualified for the semi-finals in the girls 200m, boys 800m and the mixed relay events at the Edmonton Journal Indoor Games. We are proud of all of our RUNNERS!

Raffle Winner Glenn Miller Donates PRIZE

Glenn Miller was the lucky raffle winner of a visit to the Edmonton Oil Kings Sky Box for the March 18 game; donated by Servus Credit Union. Mr. Miller generously donated this amazing prize to the Lendrum School Staff. Gary Blair, the manager of the Southgate Servus Credit Union Branch hosted the evening.

The evening was well attended by Lendrum staff members, a few Avalon Staff, and one token spouse who loves hockey! Rarely, will opportunities like this be offered and we were most appreciative of this great gift. Gary, Murray and Ryan from Servus went out of their way to be wonderful hosts. The Lendrum Staff had many laughs, enjoyed the food, beverages and even the game! Our Oil Kings lost by one point; but the Lendrum Staff were big winners and enjoyed the evening immensely!!

THANK YOU GLENN!!!!

Excessive Noise from Vehicles

We've all experienced it, vehicles with loud stereos that seem to vibrate the walls of your home as they pass by and vehicles with modified exhaust systems that can be heard for several city blocks.

Edmonton, like other urban centres throughout the country, is receiving repeated complaints about excessive vehicle noise. Numerous noise complaints have come in through city councillors, the Chief's town hall meetings, in the media and the public calling in on the police complaint line.

- Loud and excessive noise can be characterized as noise that becomes a nuisance to the general public, taking into consideration the nature, location, time and proximity of the source to residents and members of the public. An example of this would include a loud auto stereo or car, truck or motorcycle exhaust emitting sound to the extent it disturbs patrons at a café, nearby residents or other motorists on the roadway.
- Loud and excessive noise is now being addressed as a community disorder issue in Edmonton. Traffic and Patrol members are conducting an enforcement campaign in an effort to crack down on offenders.

If operated normally, most original or equipment in any vehicle should not emit excessive noise. Check the equipment that you do have to ensure your exhaust system does not emit excessive noise through a widened outlet that amplifies the noise. Also ensure that your system is equipped with baffles. Have consideration for those around you and avoid aggressive use of your equipment.

Fines for Violation

The EPS will charge violators at three benchmark noise levels tested with the motorcycle stationary.:

- Violators in excess of 92 dbA at idle for all motorcycles
- Violators in excess of 96 dbA at 2000 rpm for motorcycles having less than 3 cylinders or more than 4 cylinders
- Violators in excess of 100 dbA at 5000 rpm for motorcycles with 3 or 4 cylinders.

The fine for violation of this [bylaw](#) is \$250.00.

Sections of the [Traffic Safety Act](#) can also be used when dealing with excessive noise.

Operation Mobile Speed Bump...Update

*Well summer is around the corner, and with that comes the speeders and people that just are not paying attention to pedestrians. Lets all continue the habit of driving through and around our school and park area at 30 km or slightly less. It is a little thing that helps to reduce the short cutters that are using our streets as a race track
 It's working...keep it up Lendrum!!!*

**Give the Gift of Life
Fun Run & Walk in Edmonton
May 1, 2011**

Have you heard about the "Give the Gift of Life" Fun Run and Walk on May 1?

The snow is starting to melt and we bet you can't wait to get outside to take a walk or run, shedding your heavy boots for your favourite sneakers.

We have an opportunity if you'll take the challenge!

Over 4,000 Canadians are waiting for an organ transplant right now so the donation message has never been more important. Kidney transplants are the treatment of choice for people with end stage kidney disease, and it is the only present means to recover some quality of life and its expectancy. The "Give the Gift of Life" Fun Run and Walk is one way that we work toward increasing awareness of the need for organ and tissue donation, and to raise funds to deliver public education about it.

Would you join us May 1st to walk or run for the cause?

To learn more about the walk and to register, copy and paste our website, www.kidney.ab.ca into your browser, then click on the walk banner.

This year will be our 7th annual walk, and our goal is to raise \$70,000.00. We know there are a good number of charity walks from which you can choose to walk and fund raise. We ask, when you select the charity you will run or walk for this year, you will choose to walk for organ and tissue donation awareness. Over 200 people have died waiting for a transplant since our last walk. We want to reduce that number by this same time next year.

Our Environment This & That

That's Not Garbage!

If you've ever puzzled over where to pitch your pizza box, the City of Edmonton's newly expanded times for their free seminar on recycling will help you find the answers. "We've been offering our *"That's Not Garbage!"* sessions to Edmonton businesses for some time now," explains Garry Spotowski, education programs coordinator for the city's Waste Management Branch.

"But now we want to reach out to all community groups, seniors' societies, church organizations...essentially any small or large group of fifteen or more adults interested in learning about recycling and our world-class waste management system. We'll come to their assembly anytime - days, evenings, even weekends. Edmonton's system is one of the best anywhere. We'd like to make sure people know all about it." Carole Soanes thinks everyone should register for *"That's Not Garbage!"* The federal employee organized the one-hour session for co-workers last summer.

"I don't think most of us had a clue what the City of Edmonton was really doing beyond the blue bag. We were all taken back by the information provided and certainly didn't know that Edmonton was such a leader in the world of waste management."

The presenter was full of information about how to properly dispose of items you no longer needed, and where to find recyclable materials that you do need, often for free. "It was such a detailed presentation, talking about all the facilities and aspects of waste management and the tours that are available, the Eco Stations where you can pick up recycled paint for free, and the Reuse Centre, where you can go buy recycled stationary (\$5 for all you can carry out)," said Soanes. "I didn't have a clue about most of this information and I think many people in the class felt the same way."

There's no charge for the *"That's not Garbage!"* presentation. Call 780-496-5681 to book or email wasteman@edmonton.ca. "After taking this, not only am I really proud that Edmonton is on the world stage, but I'm definitely participating in recycling more at home and in the workplace," said Soanes.

Get Ready in the Park – emergency preparedness festival for the family

Saturday, May 7, 2011 Come check it out with your family & friends

Climb into the cockpit of a helicopter, steer the bomb squad remote control robot, sit in an ambulance, see search and rescue dogs in action, and learn how to use a fire extinguisher. It's all part of the fun of Get Ready in the Park. Join Edmonton's emergency response community as it helps kids and adults learn how to prepare for an emergency as part of Emergency Preparedness Week 2010.

ATCO Gas has partnered with the City of Edmonton to put on this year's "Get Ready in the Park" event. **Come visit** the ATCO Gas tent while you're down at Hawrelak Park between 10 a.m. and 4 p.m. on Saturday, May 7.

We have a "Locate Challenge", furnace inspection advice for homeowners, door prize draws, food safety information if your power goes out, and much more.

Children at the event will be given a "Passport to Preparedness." After collecting 10 stamps (initials) by visiting participating organizations kids will be eligible to enter to win prizes. There's plenty to see, do, learn and take-away from at this free family-focused event.

Date: Saturday May 7th, 2011

Time: 10 am – 4 pm

Venue: Hawrelak Park

More than 25 exhibitors from municipal, provincial, federal, corporate and non-profit organizations will be on site with demonstrations, interactive games and free giveaways for the whole family.

Emergency Preparedness Week is an annual, national event held this year from May 2 – 8. Here in Edmonton, the main objectives are showcasing Edmonton's emergency community capabilities in responding to major emergencies, increasing awareness about individual emergency preparedness and encourage residents to be prepared in the event of major emergency so that we can all reduce the risks and lessen the consequences of disasters. Primary goals of emergency preparedness are taking care of yourself and your family for a minimum of three days (72 hours.) If a disaster happens in your community, it may take emergency workers some time to get to you as they help those in desperate need.

General Interest

First Ward Gathering a Success:

How do we increase the number of families living in our mature neighbourhoods? This very important question was the trailhead into a wide-ranging discussion hosted April 7th by Edmonton Public School Trustee Michael Janz and City Councillor Don Iveson. Approximately 40 local community leaders gathered to discuss community revitalization, keeping schools open, family and seniors friendly housing and much more. A summary of the meeting and the discussion has been posted on Trustee Janz's website: www.michaeljanz.ca. Discussion was wide ranging and leaders present were given a homework assignment to continue the conversation at their school councils and community leagues.

As our city continues to sprawl, the pressure for providing new services, libraries, parks, roads, and schools for new developments continues to reduce the funding available for maintaining infrastructure in the core. The city has started to signal an intention to move towards a more compact, walkable, urban city, but last year only 7% of new developments were in the core. Low enrollment continues to put schools in mature neighbourhoods at risk of closure or consolidation. Leaders present stressed the need for complete communities with vibrancy, amenities, and the need for us as residents of mature neighbourhoods to tell the story about how our communities are safe, desirable, and worth investing in.

This was the first Ward Gathering hosted by Trustee Janz. The next will be focused on student health and wellness and will be taking place in Riverbend area in June.

For more information or to sign up for his monthly newsletter on community and education, please visit www.michaeljanz.ca.

Capital City Clean Up - ADOPT-A-BLOCK

Capital City Clean Up (CCCU) is the City of Edmonton's litter abatement program to reduce litter on streets, parks and public places. Using the Adopt-a-Block approach, residents and businesses volunteer to keep their "block" litter-free. Block Captains do weekly clean up on their adopted block during their regular walk from May-September. CCCU provides all supplies including bags, T shirts, gloves, hand sanitizer, litter grabbers and some special items. Block Captains track their bags collected in a log book provided. Tim Hortons, the program sponsor, provides every Block Captain with a travel mug and a gift card for free coffee.

Volunteers wishing to act as a 2010 Block Captain are asked to sign-up on the web site or call 780-944-5412 for more info.
