Athletic Park Clean Up Work Bee

A big thank you to all the folks helping out with the Athletic Park. So far we are on track towards keeping this area as one of the best facilities in Edmonton. The park has become the hub of our community, with 2 schools, the community hall and a whole range of athletic spaces, the area attracts large and small groups for a few minutes or a whole day event. For example, when factoring in school events, soccer games & clinics, team practices, Beach volleyball, baseball, walkers, joggers, moms & tots boot camps, fitness boot camps and our very own Community BBQ the space will host over 5000 visits in the month of June. Not only is this space for local residents...nearly half of these visits are from people outside the community. Everyone of these people are potential new neighbours or students at one of our fantastic schools... **SO VOLUNTEERS ...KEEP UP THE GREAT WORK AS IT REALLY IS SO MUCH MORE THAN JUST GRASS, TREES & SHRUBS.** Lendrum Residents...no mater if you are jogging , riding or just taking a leisurely stroll, you can help by picking up litter & deterring vandalism by just being there. Lastly special thanks to the volunteers that helped at the spring cleanup bee, we had soccer coaches & teams from Sting, Edmonton Scottish, and of course our own teams and executive. Over a couple days we raked and collected over 150 large garbage bags of grass clippings and debris.

Lendrum Area Schools

Lendrum School News

Where has the time gone? It seems like it was just yesterday when all the smiling faces were coming in the front door to start a new school year. Yet here we are 10 months later and those same faces are smiling because summer vacation is nearly here. The students have matured and grown academically and physically.

June will be an extremely busy month. Teachers are busily finishing up their curriculums and preparing the final progress reports. The grade 3 and grade 6 students will be writing their Provincial Achievement Exams. Then starts the fun stuff...grade 6 field trip to Birch Bay, Sports Day, Talent Show, and the Grade 6 Farewell and DARE Graduation are just a few of the highlights.

The last instructional day is June 29 and the last operational day is June 30. The school office will reopen on August 18, 2011. We will be accepting new registrations at that time. Greenfield School Age Day Care will remain open over the summer months. A huge thank you goes out to the wonderful Lendrum Community members that have volunteered to water our flower pots over the summer months. We also would like to thank ALL of the Lendrum parents. Your commitment and dedication to Lendrum School is phenomenal! Without your support Lendrum School would not be the truly exceptional school that it is.

Over the summer months we ask our Lendrum Community neighbours to keep watch over the school. If you notice individuals loitering about the school or committing acts of vandalism, please call 911 or contact the Edmonton Police Service at 780-423-4567 or Edmonton Public Schools Security at 780-429-8295.

From our Lendrum School family to yours, please have a safe, relaxing and enjoyable summer! We'll see you all again in late August.

Avalon Jr. High News

The year is quickly coming to a close and we are busy completing academic curriculum and preparing for final exams. Grade nine students will be writing their Provincial Achievement exams in the month of June.

Our drama department worked extreme hard on the production of *James and the Giant Peach*. We hope many of you were able to see this light hearted and fun production. Many of our elementary feeder schools were invited to attend the performance. Congratulations to all the cast, crew and staff for their hard work!

Avalon Architecture club is presently in Lake Louise to present their second place winning *School of the Future* design to a conference for Architects. We are very proud of their efforts!

Grade seven, eight and nine band students, recently competed in the Alberta Band Association competition in Red Deer. Results are presently unknown at this time, however teacher Brenda Smith reports that all played very well! Grade nine band students are excited to play with the Harry Ainlay band for an evening of music at the Winspear Centre. Grade eight band students will perform their favourite pieces for the Lendrum students in June.

Our athletic endeavors see us preparing for Track and Field. Avalon will participate in the Zones and hopefully the Finals. Good luck to our athletes!

With the nice weather, students are enjoying participating in Slow Pitch. We are happy we are no longer swinging at mosquitoes!

Outdoor education students in grade eight will be going to Birch Bay Ranch on a camping trip. While there, they will be participate in the ropes course, repelling, climbing wall, archery, ziplines and more fun activities!

With year end, comes grade nine Farewell. We celebrate our grade nine students' successes in Jr. High, and as we bid them adieu, we wish them continued success on their chosen paths. Best of luck in High School!

Thinking of our next school year, we are preparing for a grade seven transitions meeting with parents who presently have children in grade six. We are meeting on June 8 for a grade seven orientation meeting for parents. If you have missed this meeting and wish further information, please call Avalon School.

We wish all a happy summer!

Operation Mobile Speed Bump...Update

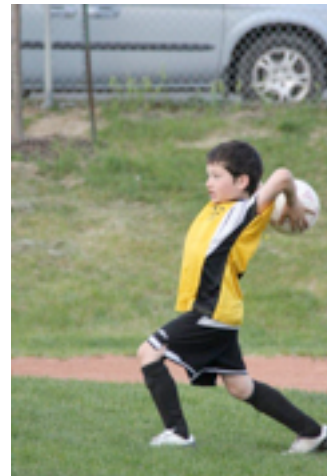

With summer now upon us ...speeders and many people that just are not paying attention to pedestrians are using Lendrum as a short cut on a daily basis. Lets all continue the habit of driving through and around our school and park area at 30 km or slightly less. It is a little thing each and every resident can do that helps to reduce the short cutters that are using our streets as a race track

It's working...keep it up Lendrum!!!

August 11-21, at the 2011 Edmonton Fringe Festival

An exciting, site-specific event is coming to the Lendrum community for the 2011 Edmonton Fringe Theatre Festival!

Have you ever walked along neighbourly streets in the evening and let yourself glance at the goings-on in houses where no one's pulled the drapes yet? In ***Next Door***, an original new production to be located in a Lendrum residence, the drapes don't get pulled at all and a gripping, private and heartfelt drama is revealed behind the walls of the house next door.

Volunteering

To produce the show, we need volunteers!

Audience Management and Show Production

Bring your Semaphore flags! *Next Door* needs friendly, dependable volunteers for every production night to manage audiences, direct audience members where to park, ticket taking and noise control.

Be Part of the Show!

Dig out your bellbottoms! *Next Door* requires 20-30 extras to fill in with two party scenes set in the 70s. Minimal rehearsing is required, as well as a willingness to commit to a minimum number of shows.
