- 12:00 pm - Soccer & Volleyball Games, plus other activities
- 1:00 pm - Community BBQ
- 2:00 pm - Soccer Medal Presentations
- 3:00 pm - 3V3 Soccer Challenge

**Come celebrate with us!**  
**It's a great way to start the summer**

# Youth & Adult Programs

## Ladies' Coffee Time:

First Monday each month, 10-11:15 am at Sunterra Market.

For more info, please call Dorothy (780-434-3732).

## Lendrum Badminton:

Adult drop -in, Tuesdays 8pm, Avalon School. Please contact Lynn Wong (780-438-0517).

## The 22nd St. John's Scouts:

Come check Scouting out! We are always looking for new members!

Beavers (age 5-7)

Mon 6:30-7:30

Cubs

(age 8-10)

Mon 6:30-8

Scouts (age 11-13) Wed 7-8:30

Ventures (age 14-17) Wed 7- 8:30

All meetings in the evening at St. John's Anglican Church located at 11111-57 Ave. Call Tom Schroepfer for details: 780-432-0910

## Sparks, Brownies, Guides and Pathfinders:

For girls ages 5-18 Call 780-435-5068 or email

[rley.guides@hotmail.com](mailto:rley.guides@hotmail.com) [mainbowval.com](http://mainbowval.com)

For more info. Join anytime, always accepting new girls in all levels!

## Seniors Drop-In:

Every second Wednesday at the Lendrum Hall. Any questions Contact Carolyn at 780-239-2399.

## Lose Weight - TOPS:

(Take Off Pounds Sensibly) Meets Tuesdays from 9:30-10:30am at Cross of Christ Lutheran Church - 11460-60 Ave. For support in weight loss, related programs contact Betty-Anne 780-437-7942 or Merna 780-438-3788.

## Crafters of Lendrum:

The Lendrum Craft Group welcomes all residents and friends who enjoy doing handicrafts. We meet once a month and share a potluck lunch at the Community Hall. Bring a project to work on and/or completed projects to share. We meet from 11:00 - 4:00 pm, usually on the 3rd Monday, with a few exceptions due to holidays.

Monday May 13th;  
Monday June 17th.

For more information, call Peggy Follinsbee 780-436-9322.

## Line Dancing:

every Thursday from 10:00 - 11:30 am at Lendrum Community Hall. For Info contact Don or Rita at 780-434-5885

## Lendrum Pottery Group:

Please call Joy Schaut 780-434-1997 for info

## Blue Chair Tai Chi:

Mondays 9-10:30am

Malmö Hall

Fridays 9-10:30am

Lendrum Hall.

Sorry, we do not offer beginner classes. If you know the 108-move

Moy-style set,

please join us in practicing at an intermediate level.

Call Kathy, 435-0738.

For info on compatible Beginner classes

(outside the neighbourhood)

please call Shen Dao Tai Chi at 587-920-6685.

## Lendrum Yoga Class?

Does a beginners yoga class on Saturday mornings in our community sound interesting to you? Would you be interested in attending? Do we have a certified yoga instructor in the community that would be interested in taking this on? Contact Jo at 780.463.7079.

## Moms' Morning Out Toddlers Play time

Are you a mom with a toddler in Lendrum?

Are you interested in connecting with other moms/toddlers in Lendrum?

Meets at 10:30 Tuesday mornings.

Contact Carmen

[carmenmrojas@gmail.com](mailto:carmenmrojas@gmail.com)

Please contact Gary Goulden with any ideas for possible new programs

780-450-0927  
or

## President's Message

The Lendrum Community League Annual General Meeting has come and gone. And with it, a number of volunteers have come and gone. We said good-bye to Jessica in memberships and welcomed Brent, to take her place. Xanthe moved from co-coordinator of soccer to social. Danielle will be stopping as our secretary, but no one has stepped up to fill that position. Soccer is being vacated but has one helper to start in the fall; one more co-coordinator is needed. And lastly, our wonderful treasurer, Dale Somerville, is stepping down. Dale has served this community well for... well, not sure how long. He and his family have always been involved in making Lendrum a great community.

Thanks to all our amazing volunteers that keep the league running and flourishing.

But, we need more great volunteers! Below are summaries of the vacant positions and a sketch of what duties are required. All the positions are expected to attend the monthly meetings (approx. 1-1.5 hrs) on the first Monday of the month.

Vice President – assist president, chair meetings in president's absence, and represent Lendrum at external functions (1-2 hrs/month)

Secretary – record and distribute minutes from meetings, prepare and distribute agenda for meetings. (1-2 hrs/month)

Treasurer – keep financial records of League, issue cheques, prepare annual statements, and assist in grant writing. Must have bookkeeping experience. Some external assistance may be available. (3-4 hrs/month)

Programs – liaise with League, City, and residents to facilitate various programs. (1-2 hrs/month)

Fundraising – plan and initiate fundraising events, coordinate grant writing. (1-2 hrs/month)

**IT'S TIME FOR YOU TO GET INVOLVED!**

Gary Goulden

## Ecole Avalon Lendrum School News

The end of the school year is fast approaching and with it comes many exciting events and extremely busy times.

As it usually happens the young of our community teach all of us lessons in life. Lendrum students are no exception; they set a great example this past month. In celebration of Earth Day (April 22) the students cleaned up the playground and dry pond area by picking up all the trash and sweeping the winter gravel off the sidewalks. They also engaged in a "No Power Hour" where technology was put to sleep and the lights were shut off. If everyone does their part we can all minimize our footprint on this planet.

Lendrum students held their annual Spring Tea and Gallery Walk. This was a time to showcase their artistic talents while showing appreciation to their family and friends. There was a large assortment of treats available along with beverages served by our grade 6 students, and door prizes awarded throughout the evening. Parents and guests were treated to musical entertainment performed by the students; as well the students' artistic endeavors were on display in the hallways.

Students at Lendrum are "SPELLING IT OUT" for computers. This year's annual spell-a-thon proceeds will be earmarked for the purchase of new computers for the school.

Constable Franklin of the Edmonton Police Service will once again be teaching the D.A.R.E. program to our grade 6 students. D.A.R.E. educates children at the crucial grade five/six level, which prepares them for entry into junior high and high school, where they are most likely to encounter pressure to use drugs and make negative choices. The elementary curriculum helps children increase their self-esteem and provides them with the knowledge and skills to help them refuse drugs and resist violence as well as teaching other valuable life skills.

Not to be outdone, Avalon has had many activities and events over the past few months. We held a Wake-A-thon to raise money and awareness for the Juvenile Diabetes Research Foundation. Over 82% of all money raised goes directly to research for finding a cure for Diabetes and those funds stay right here in Edmonton. Our Avalon students raised a whopping \$5089.55! Great job!

Our Avalon Knights have also been busy in various sports. The Junior Badminton Team has had tremendous success and participated in three events to date. They hosted a Singles exhibition game, and participated in Doubles and Mixed Doubles exhibition events at both Vernon Barford and DS McKenzie. The Senior Badminton team has performed very well again this year, completing another great season of play. Some members even participated in a High School tournament at Concordia College! This season's Indoor Track team consisted of 37 runners, who were chosen from an original 90 students that tried out. After intense practicing the team participated in the quarter finals of the Edmonton Journal Games at the Butterdome, and all four teams came in first or second place in their heats. Both girls' teams and the boys "A" team made it to the finals. The boys' team finished 7<sup>th</sup> overall, the girls teams placed 3<sup>rd</sup> and 17<sup>th</sup> out of 48 teams from all over Northern Alberta. It was a great season, full of excitement and we look forward to next year.

After months of rehearsing their singing, dancing and acting, the cast and crew of this year's drama production "13" *The Musical*, took to the stage at Harry Ainlay. WOW! Their performance was fantastic! Their dedication and respect throughout the entire process of this production was second to none. Personally, I have never laughed so much as I did watching this performance. Again WOW!

Music is in the air this spring! Grade 7 band students attended Camp Nakamun, where they spent time learning from clinicians about their instruments and how to play as an ensemble. Upon their return, they were able to put everything they learned to practice by performing a concert at the

## Area Schools...Continued

Lendrum Campus. The grade 7 & 8 bands were "SUPERIOR" at the Kiwanis Music festival. Both bands received high praise from the adjudicator about their performances. The grade 9 band is busy getting ready for the Alberta Band Festival in Red Deer on May 14. This is a huge festival with international adjudicators, and with bands coming from all over Alberta. Good luck!

Our Design *Fundamentals* class has been working on "School of the Future" projects. In teams, they created architectural models, plans, and sketches and used PowerPoint presentations to showcase their vision of a "School of the Future". They were given the unique opportunity of being able to present their projects to a panel of professional Urban Planners and Architects from Stantec Consulting, a home grown, leading edge, engineering firm. The teams were complimented on their public speaking skills and their concern for the environment as well they were given feedback on their designs. The students felt extremely fortunate to be able to have this experience. Thank you Stantec!

Seven of our grade 8 French Immersion students wrote the DELF exam this spring. DELF is an international language diploma issued by France's Ministry of Education to certify our students French language skills. Avalon is the first Junior high School in the Edmonton Public School District to pioneer this exam. Good Luck!

The 2013 trip to France was once again a HUGE success! Seventeen French Immersion students were welcomed to France by two schools; College Claude Monet in Ezy (60 km east of Paris) and Institution Sainte Marie in la Seyne sur Mer in the South of France. Everyone was hosted by local families, whose students then came to Canada a month later. Avalon students were GREAT ambassadors for our school, our city and Canada. They visited many places and also had the opportunity to include an emotional visit to Vimy. A great time was had by all.

This school year has flown by! Very shortly our grade 6 students will be transitioning to the world of junior high and we will be saying farewell and good luck to our grade 9 students as they leave for high school. Good luck to all our students for next year, whether you are leaving or returning to Ecole Avalon Lendrum.

### Why Join Scouts?

Scouts Canada is the country's leading youth organization. For more than 100 years, we have brought a world of adventure, outdoor experience and friendship to 17 million Canadian youth.

Scouts have a lot of fun discovering new things and experiences they wouldn't have elsewhere. Along the way they develop into capable, confident and well-rounded individuals, better prepared for success in the world.

Scouting offers a world where you can discover the best in yourself and the best in others. Dollar for dollar, our programs provide significant value. They run all year round and offer adventures that youth will remember for a lifetime!

Call Tom Schroepfer for details: 780-432-0910

## Keep Lendrum Soccer in Lendrum!

We are really excited to let you all know that we have the first half of something beautiful... a new soccer coordinator for Lendrum! As you know Jo and Xanthe are stepping down at the end of June.

Susan Lenio has kindly stepped forward. Susan has experience working for Soccer Organizations, coordination and marketing! BUT, we need a second person to complete the team. We are approaching all parents with children currently registered as we believe you, and your little soccer players, reap the greatest benefits of keeping soccer in Lendrum.

If we are unable to fill the position it means that your children will play soccer – but in other neighbourhoods and not necessarily where you would like, or with school/neighbourhood friends.

For smooth transition we would appreciate someone stepping forward by June 23, 2013 (Summer BBQ).

### Commitment.

For most of the year there is little to do – staying in touch with SWEMSA and ensuring ads for Indoor and Outdoor Soccer Registration are posted in the newsletter and online. Indoor registration is handled by SWEMSA. Things pick up in the Spring (Feb/Mar/Apr/May) and time commitment can get up to 2-4 hours/week per person.

### Rewards.

You will be celebrated and appreciated – so many families appreciate your efforts and readily volunteer to help with teams and the BBQ. You meet SO many fabulous members of the Lendrum Community. You learn a lot about how minor sport is managed.

We are still here and really want to support soccer so we are very available to answer questions or help. Thank you!  
Xanthe/Jo

### Lendrum cheers on Edmonton FC at SWEMSA DAY

These fabulous Lendrum fans cheered Edmonton Football Club on at SWEMSA Day on a very very hot May 26th.

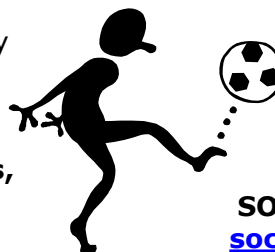

### Outdoor Soccer CCER Season

Lendrum has 47 of our own youth between the ages of 3 to 17 out there playing community soccer this spring!

Thanks to our community members who volunteered to coach and assist, manage teams, carry and set up equipment, arrange refs, organise equipment and uniforms, maintain our beautiful fields, cut oranges and cheer for our 4 community youth teams!

**A huge thank you to all our fabulous players and volunteers,** your efforts were greatly enjoyed and appreciated.

**Go LENDRUM!**

### Indoor Soccer CCER Registration

It may seem early, but Indoor Soccer Online pre-registration is coming up sooner than you think!

Watch the SWEMSA website for details about online pre-registration and for the early September registration payment sessions at <http://www.swemsa.com>

**SOCCER COORDINATORS:**  
[soccer@lendrumliving.com](mailto:soccer@lendrumliving.com)

Xanthe Loyer 780-433-3627 and Jo Grelowski 780-463-7079

# Neighbourhood Watch

**Please call a Neighbourhood Watch number** if you have any information that needs to be reported to our network. We then can alert people to be more watchful & to increase security measures.  
(The police do not call us).

ENW Info for Lendrum – 434-1294  
 Lendrum Areas: N.E. 435-3076,  
 S.W. 436-0735  
 Report a Drug House 426-8229

If there is an emergency situation please call 9-1-1.  
 If you need a patrol car to come out to the community or your home please call the police at 423-4567.  
 (e.g.. Suspicious person or vehicle)

Any reports of suspicious or criminal activity should be reported to neighborhood watch zone leaders, so that it can be noted in the newsletter under **Alert**.  
 Reports must be filled out at the Fairway Police Station at 119th street and Fairway Drive, the phone number is 496-8550

**ALERT!!!**

On Friday, May 18 at approximately 2:00 a.m. a young man (approximately 17 to 20 years of age), with a very large sedate grey bulldog on a leash, rang the doorbell of a home in the northwest corner of Lendrum. The resident did open the door and the young man asked the resident if the dog belonged to them as it wanted to approach their home. The resident responded, "No" and the young man left with the dog. The resident noticed that there was another adult (approximately 20 to 25 years of age) standing on the sidewalk and both he and the first individual walked north on 114A Street. There was also another individual seen in the neighbouring alley. If you have any additional information about this incident you may contact Edmonton Police Service at 780-423-4567 and state file # 13205829

**Crime Stats For Lendrum**

<http://www.edmontonpolice.ca/CrimeFiles/NeighbourhoodCrimeMapping.aspx>

**Seasonal crime - don't let it happen to you**

If you have a garage, it is common to open the overhead door and obtain a shovel or lawn mower and return to your garden. We all become preoccupied with our yards and some of us, myself included, sometimes forget to close our garage/shed doors!

We all think "I'm just in the back yard, what could possibly happen?" It only takes 30 seconds for someone to enter your garage and steal your vehicle, items from your vehicle, or even enter your home.

Maybe they don't even take anything specific except your garage opener. This allows the person to return at a later date and search your house. Why would I say this? Because it has happened!

Please don't let it happen to you. It may be a 'pain in your side' but please take a moment to close your doors and only open them when you require an item.

Many of us also like to open our windows for fresh air or to cool down. I agree. However, and if possible, please close the windows if you have to leave your home for errands. If you live in a two-story, maybe you can open the second floor windows but close the main floor. These are just a few things to ponder.

Next month, we will continue with your safety and the security of your home when you travel.

# Lendrum Playground Re-development Fundraisers

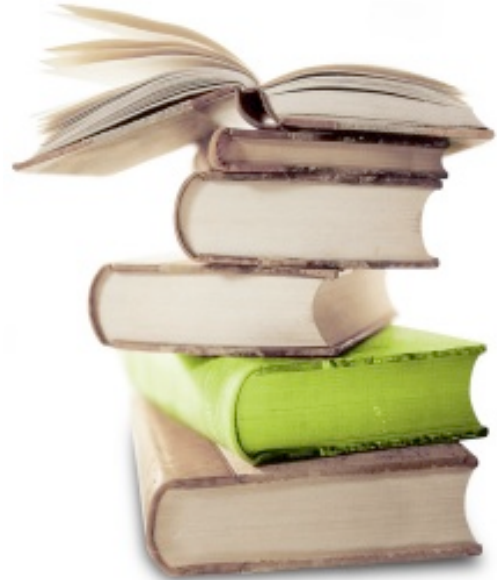

## The Summer Book Sale is at the Hall on Sun, June 23<sup>rd</sup>

Come to the BBQ and pick up your  
summer reading!

Still collecting donations:  
board books, early readers, youth/teen books,  
comic books, how to manuals, romances,  
westerns, sci-fi, dramas, comedys...

Contact Jo at [jo\\_grelowski@hotmail.com](mailto:jo_grelowski@hotmail.com) or  
780.463.7079  
with any questions, to arrange your donation,  
or to volunteer  
And if it helps, we will pick up!

All proceeds to Lendrum playground  
redevelopment.

### Did you know your purchases can raise \$\$\$ for our Playground... just by paying with a gift card!?!?

The Playground Redevelopment Committee earns up to 10% of the value of all the Sobey's cards.  
That means that for every \$100 of Sobey's cards we sell, we earn \$10 for our playground!

Name: \_\_\_\_\_ Phone Number: \_\_\_\_\_

Email: \_\_\_\_\_

#### For your everyday groceries...

	Denomination	Quantity	Dollar Amount
	\$25.00		
	\$50.00		
	\$100.00		
Total Dollar Amount			
<b>Consider ordering monthly with postdated cheques!</b>			

Fill out this form and drop it off with your cheque made out to **Lendrum Community League**  
at 11352 – 57<sup>th</sup> ave. Please do not leave cash in the mailbox!  
**Ask your friends and family to purchase gift cards though us!**

Email us ([giftcards@lendrumliving.com](mailto:giftcards@lendrumliving.com)) or call Heather (780.439.1266) or Jo (780.463.7079)  
with any questions! All proceeds to Lendrum Playground Re-development.

# Lendrum Playground Re-development Fundraisers

Mark your calendar!  
**Lendrum Garage Sale is 9am to 4pm Sat Aug 10<sup>th</sup>  
at the Lendrum Community Hall  
Book a spot to sell your own treasures  
(\$20 or a donation),  
or donate your treasures to the Playground  
Committee.**

and in good repair:  
furniture, toys, baby stuff,  
household, home décor,  
craft supplies and tools,  
games, puzzles, books,  
plant pots, sports gear..

**Donated items can be dropped off at the Hall on Fri  
Aug 9<sup>th</sup>, from 6-8pm.**

To volunteer, donate items or to book a spot:  
contact Ron or Jo at  
[jo\\_grelowski@hotmail.com](mailto:jo_grelowski@hotmail.com) or 780.463.7079

All proceeds to Lendrum Playground Redevelopment.

---

**3rd Annual Camping Under the Stars  
Camp out in your  
community!  
Mark your calendar  
for Fri, August 23rd.**

Bring your sleeping bag and  
sleep in your tent under the  
stars. Family games and  
activities

We provide weenies and marshmallows to cook on the  
Friday night campfire, and a pancake breakfast on  
Saturday morning

\$25 per family  
All children and teens must be  
supervised on site by an adult.

RSVP to Catherine Rostron at [crostron@telus.net](mailto:crostron@telus.net) or  
780.434.3839.

Volunteers are needed to make this event a big success!  
All proceeds to Lendrum Playground Redevelopment.

# South Campus Update

## Sector 13 Overview

This is the sector south of 60<sup>th</sup> Avenue. The majority of the land is designated for crop research, but also encompasses the dairy and swine units.

**Crops and Land Resource Unit:** supports teaching, agronomic and breeding research to improve the sustainable production and quality of forage, cereal, oilseed and horticulture crops.

**Dairy Research Technology Centre:** a 350-foot long dairy barn including 146 tie stalls and a pipeline milking system housing a herd of about 140 Holstein cows. The unit supports research in production efficiency and sustainability, reproductive efficiency and nutritional quality of milk.

**Swine Research and Technology Centre:** Including animal facilities, laboratories, a surgery and interpretative centre, the SRTC provides facilities to support research and teaching in nutrition and metabolism, feeds and feedstuff utilization, and reproduction and breeding herd management.

The two-acre, volunteer-run Green and Gold Garden is also in Sector 13.

[http://www.publichealth.ualberta.ca/collaborators\\_partners/community\\_engagement/green\\_gold\\_garden](http://www.publichealth.ualberta.ca/collaborators_partners/community_engagement/green_gold_garden)

## Sector 13 and Dog Walking

Many dog walkers in Lendum and Malmo take advantage of the farm fields as an area where dogs can be away from traffic. I am guessing that the farm manager has no problem with off-leash dogs over winter months. However, problems exist with dogs damaging research areas between seeding and harvesting. There have been recent reports about a few dog-walkers becoming aggressive with graduate students who have asked them to leash their dogs.

I have written to the University asking if there are particular areas where dog walkers could be encouraged/discouraged. It is very important to try and work with the farm manager as it would be within their rights to lock the 115<sup>th</sup> Street gate, which would be to the detriment of all.

## 63 Avenue access

The University expects to begin construction of this access into South Campus in the spring of 2014, with completion targeted for October 2014. Part of the delay is due to "wetland disturbance". There are tentative plans for an Open House on June 12 in Grandview Community Hall concerning the final design of this access. My anticipation is that, once opened, this access will significantly reduce the amount of South Campus traffic going through Lendum. This is a necessary development.

## South Campus Long Range Development Plan Amendments

The University held the last Open House in mid-March to obtain comments on proposed changes to the LRDP. The South Campus Neighbourhood Coalition (Lendum is one of eight communities that compose this group) noted that the specific amendments to the 2002 LRDP are not explicit. The Coalition would like to see the following concerns adequately addressed before the proposed amendments are approved. We have relayed these concerns to the U of A Board of Governors. We are pleased to continue to work with our local representatives Councillor Don Iveson and MLA Steve Young who have taken interest in this issue and thank them for advancing the community interests.

## South Campus Update...Continued

- 1) Lack of oversight and accountability mechanisms regarding development proposals. **Development principles** need more coherence and more “teeth” to ensure that they are applied. The LRDP talks of guidelines encouraging quality, signature architecture, yet existing developments have occurred in a piecemeal way and lack such signature. A precedent has been set that is inconsistent with the LRDP guidelines.
- 2) Extent of **vehicle intrusion**. The smart growth principle of promoting a pedestrian-oriented campus “to the extent possible” is disappointingly ambiguous. Local communities are extremely supportive of the sustainable development language in the nine fundamental principles underpinning the 2002 LRDP with their focus on pedestrian friendly, bike compatible development. However, in practice, various developments demand significant onsite parking.
- 3) Identify “**Shared Use**” parameters in terms of student and public access to sporting facilities. In the 2002 Plan, Sector 12 is the Academic and Research sector with a recreational land use allotment that broadly covered the current Balmoral Radioisotope Facility, Foote Field, and original Saville Centre. At some point between 2008 and 2010 the “recreational” land use designation was changed to “shared use”, this area being expanded and changed with the building of the Go Centre and Balmoral radioisotope facility. The proposed ice arenas, beach volleyball courts, field house and parkade will further expand the ill-defined “shared- use” designation.

People moving into our neighbourhoods over the last decade have been made aware of the development of South Campus, but would not have assumed that this represented such a concentration of sports facilities and the resulting traffic, noise and congestion to the neighbourhoods. We welcome the University’s emphasis on community connections, however, we have questions about facilities intended to “support learning, research and campus well-being” are used to heavily promote more general public use without due consideration of impact to our local communities.

The University’s position is that their sporting facilities all allow degrees of public use; the University therefore resist guidelines delimiting the extent of use by university students vis à vis the wider public. We recognize that budgetary issues have forced the University towards greater emphasis on revenue generation; however, we are concerned about the traffic, roadway congestion and noise associated with Shared Use facilities, especially during off-peak times (evenings and weekends). Thus, the degree of public access to South Campus facilities should be defined, and local community concerns should be addressed.

- 4) A comprehensive **reassessment of traffic impact and parking demand** is essential. This must take into account the rapidly growing traffic volume with southwest Edmonton, event analysis at shared use facilities, and the impact of South Campus LRT station.

Please let me know if you have questions or comments: [rb6@ualberta.ca](mailto:rb6@ualberta.ca)

# Lendrum Nature News

JUNE 2013

There have been lots of things happening in the Natural Area over the last two months. The willow buds have swollen and opened, producing some long, soft, spiky catkins and there are pussy willows on two of the shrubs near the path. The saskatoons are blooming, as are the dandelions, a sure sign of spring. The silver buffaloberry have leafed out and will soon be blooming. High-bush cranberries are growing up nicely from the base after the rabbits feasted on the tops over the winter. If you look very carefully, you will find strawberry flowers in the grass by the south walkway. The prickly roses will be blooming by mid-June as will the dogwood. We have requested a few replacement plants from the city for those that died over the winter and will be planting those at a future workbee.

We are seeing many different butterflies in Lendrum, including the large dark Mourning Cloak with light upper wing edges. The Spring Azure is a smallish bright blue butterfly that you might find feeding on willow, saskatoon and chokecherry.

Many of our migrating birds have returned including: what I call the "school-yard" gulls or ring-billed gulls. You will no doubt have heard the crows, who are now probably sitting on eggs. Robins have been busy building nests, as have house finches. I recently heard chipping sparrows and we hope the savannah sparrow returns and decides to nest in the low shrubs this year.

... a tiny glint in a tiny eye ... house finch, Lendrum, 04-13

The grade 8 students at in Dan Tarney's industrial design class at Avalon have been busy building nest boxes for us. They will soon be ready for installation in the natural area and community league playground. We will let you know when that workbee is scheduled.

We have consulted with Travis Kennedy, the principal horticulturalist with the city and also a local ecologist regarding the best ways to manage the natural area. They have some very interesting suggestions for encouraging and supporting native plants. Our Partner in Parks representative, Paul Cardinal is keen to come out for a visit one day soon.

We look forward to seeing you out at one of our upcoming workbees.

## Lendrum Fruit and Veggie Rescue

**Growers:** Is your zucchini or rhubarb getting out of control? Do you have too many potatoes or too much lettuce to get to? Are your apple trees producing more than you can eat?

**Eaters:** Do you eat fruits and veggies? Could you offer some perfectly good produce a good home? Are you able to pick them?

Contact Jo at [jo\\_grelowski@hotmail.com](mailto:jo_grelowski@hotmail.com) or 780.463.7079 to get connected!

# Provincial Championship Bike Race in Lendrum

Canada Day Criterium – July 1

## Farmers' Market and Barbeque Season Heating Up Together

When I think about summer and food, two things come to mind: farmers' markets and barbeques! June finds us coming into full swing of market and BBQ season. And these two events complement each other perfectly.

A summer BBQ evokes images of friends and family gathered together, with a beverage, while kids run and play in the yard in the background. The air is full of sizzling sounds, salivating aromas and food full of vibrant colors, textures and tastes.

The Southwest Edmonton Farmers' Market is the place that can bring all of this together. Of course, we have the requisite fresh fruit and vegetable vendors with a great variety of familiar and unique offerings. But we also have several vendors offering local and organic meats: beef, bison, chicken, lamb, and fish. And the side dishes and condiments? How about fresh pasta, perogies, Greek or Indian flavours, honey and jams. And dessert? Fresh baked pastries and cupcakes – even available in gluten-free?

How about setting the scene with bright blooming flowers from a local greenhouse on-site, or even a vegetable garden in the yard? All available at the SWEFM!

Of course, summer doesn't come without yearly celebrations. We also have a collection of artisans selling their inspired creations each week.

So, gather up the family and meet the neighbors for a food truck dinner and a little shopping on Wednesday evenings from 4:30 to 7:30pm in the south lot of the Terwillegar Recreation Centre on 23<sup>rd</sup> avenue, and plan your next summer get-together. There is a play area, face-painting and balloon animals to entertain the kids at the market, too.

Visit [www.swefm.ca](http://www.swefm.ca) for vendor details, recipes, and community initiatives happening all summer at the Southwest Edmonton Farmer's Market!!

**The Green & Gold Community garden**, on the University of Alberta South Campus, has started Spring planting. The garden is an initiative of the University's School of Public Health and Faculty of Agricultural, Life and Environmental Sciences. Volunteers manage the garden and all of their time, and most of the seeds, plants and equipment used are donated.

**Green & Gold  
Community Garden**  
A local garden with global impact

**All are welcome to volunteer at the garden or to come to the garden markets when they open (in late June or early July).**

The vegetables, herbs and flowers are all "spray-free" (no pesticides or artificial fertilizers are used). Anyone is welcome to 'purchase' their vegetables at the garden market. Every penny of donations goes to the **Tubahumurize Association**, a non-profit organization in Rwanda that provides socially and economically marginalized women with vocational training, counselling, life-skills coaching, health care education, and opportunities for sustainable income generating activities.

**If you would like to receive the garden e-mails this summer (these let you know what produce is available at the garden that week and the market hours ) please sign up to our garden listserv at:**
