Membership Renewal

It's that time of year again! Community League memberships expired on August 31, 2014.

Be sure to renew yours to take advantage of all the great things the Lendrum Community League has to offer.

You can find the membership form on page 15 or at lendrum.org. Don't delay sign up today!

Come out and enjoy Lendrum's Annual Community

Sunday, October 5, at 10:00am
10:00 Registration – enter to win a turkey!
10:30 – Fun Run-Walk begins
11:15 – Coffee, juice and snacks provided
11:30 - Grand prize draw

Participants can walk, run, cycle, or skateboard around the 1km or 5 km course through the community. Please bring your lawn chair to cheer on the participants and enjoy one of the last days of warm weather together!

For more information or to volunteer to help, please contact Georgina Hawkeye ghawkeye@gmail.com, 780-920-2616

Greetings

President's Message

In May, the executive decided to make some necessary changes to the Lendrum swim program. The community had been subsidizing members at an increasing amount – nearly \$8000 last year. While we want to maintain the intent to allow members some benefit and ease of access to the city facilities, it was felt that this is an extreme amount that can no longer be absorbed by the league. So, starting in October, members can enjoy 5 subsidized swims per year at any regular City of Edmonton pool. The majority of our users will not be affected by this change.

Looking forward to the 2014-15 year, we hope to find a few more individuals to help out. Another person is needed to work with Jason on coordinating the soccer program. Also, next spring a referee coordinator will also be needed.

In the winter months (actually starting in October), we will be looking for workers to make and maintain the ice rink, and do snow removal around the hall. There is some remuneration available for these tasks.

Feel free to contact me with questions about these positions, or any other matters.

Gary Goulden – president@lendrum.org

Message from Councillor Michael Walters

A motion was passed at City Hall by Executive Committee recently to permit garage and garden suites in established neighbourhoods, and to allow the subdivision of properties into narrower lots (no less than 25 feet). Executive Committee also asked administration to provide options to the mature neighbourhood overlay, and to transform the low-density zones, including RF1, so that they can support and encourage more densification.

These changes will take time, and there will be many opportunities to formally (at Public Hearings) and informally (discussions with me at the local level) dig into these ideas to encourage infill, and determine how infill can most benefit Ward 10 neighbourhoods. I'll be hosting conversations with the communities most impacted by infill, including Lendrum. These conversations will help determine how infill can be done properly, with good design and in a way that improves our neighbourhoods. I encourage you to come out and engage in this important discussion.

Edmonton is at a crossroads when it comes to growth. Our population is expected to double in the next 30 years. Will we only grow out? Or, can we also grow up and within existing neighbourhoods in a way that benefits them?

Increased density, diversified housing choices, revitalized schools and commercial centres can be a win-win scenario for existing and future mature neighbourhood residents. Just as building a more compact city is a win-win scenario for existing and future Edmontonians, both financially and environmentally. Please be in touch if there are any questions, concerns, or ideas: michael.walters@edmonton.ca or 780-496-8132

Yoga at the Hall

Start your weekend off right. Join us for Saturday morning yoga! This FREE class will run 10:00am to 11:00am from September 20 until December 13 (no classes on October 11 or November 8) in the Lendrum Community Hall. No need to register but space will be limited. Just bring yourselves and your mat (and other props, e.g. a block, blanket, strap, if you have them). All levels of yoga experience welcome! If have any questions about the class or would like to connect with Lisa beforehand, you may reach her at llozanski@gmail.com.

A BIG thank you goes out to Coach Craig from the exhausted Giants!

Congratulations to Lendrum community member Sharon Morsink who received a University of Alberta Alumni Centenary Award at the annual Alumni Awards on September 18.

Community League Volunteers Needed!

Civics

If you have any questions or comments on civics issues, please contact civics@lendrum.org.

Infill Policy

In August City Council asked City staff to develop recommendations to encourage infill. Infill increases a community's population density. Infill is beneficial because it lowers the cost of housing and makes efficient use of city's transit, roads, schools and parks. It reduces urban sprawl and its environmental impacts. The City is considering changing RF1 zoning to allow a single lot to be divided into two lots and to allow garage suites. RF1 currently only allows single family houses and secondary suites. The majority of Lendrum is zoned RF1. Other parts of Lendrum – where low rise apartments currently exist - are zoned RA7. The City will consult the public before making changes to zoning rules. There is a City website on infill proposals (http://edmonton.ca/city_government/urban_planning_and_design/evolving-infill.aspx)

Transport Oriented Development Policy

The City has a policy to encourage higher-density development within 400 meters of LRT stations. This policy could impact south-east but not north-west Lendrum because the north-west is already zoned RA7. In 2013 the city released the McKernan-Belgravia Station Area Redevelopment Plan which supports conversion of RF1 to RF3 zoning near the station. That plan is available on the City website. The city has not scheduled a consultation for a South Campus nor Southgate station development plan.

University of Alberta Land Trust

On June 20th 2014, the University's Board of Governor approved the concept of a Land Trust to develop lands such as the University Farm. University staff are preparing to ask the Alberta Government to approve the creation of a Land Trust this autumn. If the Land Trust is approved, then the University will ask the Alberta Government to approve giving certain parcels of

land to the Trust for management. This second request for decision is planned for 2015. The Land Trust will work according to the approved Long Range Development Plan. If changes need to be made to that plan, then the University will consult with Lendrum residents.

University of Alberta Reminder About the Farm

The University is reminding those who enjoy the South Campus property to respect the integrity of the research taking place on the premises by abiding to the following:

- Do not remove any plants or crops at any time.
- Remain on the trails and grass pathways only.
- Ensure dogs are on their leash at all times. South Campus lands are not an off-leash area.

The University enjoys sharing the South Campus lands with Lendrum residents and hopes we continue to enjoy them. However, South Campus is research land and restricted area on which off leash dogs and public vehicle access are not permitted. Campus Protective Services will patrol the premises regularly. If you have any questions, please call the Office of University Relations at 780-248-1222. Thank you for your cooperation.

Stephen Dobson

**Next Community League
Meeting
Monday, October 6, 2014
7:00-9:00pm at the hall**

Playground Redevelopment

Funding Update

Continued thanks to the community of Lendrum for your support! We had a great time at the Canada Day Bike Race, the Community Book and Garage Sale and the Summer Camp Out. Please donate to our upcoming fall bottle drive and watch for other chances to support us as we enter the final months of our fundraising efforts.

We have been conditionally approved for the first of our two big matching grants – a \$250,000 grant (the maximum offered) from the Neighbourhood Parks and Development Program from the City of Edmonton. We are hoping for our next big matching grant – from the provincial government's Community Facilities Enhancement Program – to be approved early next year. We have asked for a \$125,000 grant.

As far as we understand it, the decision is influenced in part by our MLA Steve Young. If you have a moment and feel so inclined, please let him know we need his support! His email is edmonton.riverview@assembly.ab.ca, his office phone number is (780) 414-0719, or you can even Tweet him at @SteveYoungMLA

Project Update

Based on information and advice from the City of Edmonton, the Committee has made the decision to break the project into two phases: Phase One being the playground for older children, Phase Two being the spray park. The City estimates that the redevelopment of the playground and some of

the surrounding landscape will cost \$497,000. The spray park is estimated to cost another \$422,000, largely because of site preparation, plumbing and concrete costs.

The current committee decided to do a better and more thorough job of redeveloping the playground and will leave the spray park redevelopment for a later date. You may have noticed that the spray nozzles on the current spray park have been fixed and have been working well to provide misty fun all summer. The current "tot playground" will also be left in place.

We will be choosing playground suppliers to submit project proposals soon and will meet with them later this year to have them present their proposals. Thanks to everyone who gave us feedback on what their kids want and love in a playground. We will let you know when a supplier has been chosen and will hold an open house to let the chosen supplier meet our community and get feedback, likely early in the new year.

The current timeline has us starting playground construction (fingers and toes crossed) during the summer of 2015, and will hopefully be done later in the fall.

A big thank you to Alley Kat and State & Main for their donation of draw prizes for the 50th anniversary party.

Ron Grelowski

Lendrum Playground Bottle Drive

Saturday October 18th, 2014 from 9am to 11am

Put your bottles on your front step for us and we will come pick them up! Simple as that.

Kids (and parents) needed to deliver flyers and to help pick up bottles.
No sorting. No hauling bottles to the depot. No standing in line.
Volunteers just drop them on our pile at the hall and go.

For more information or to volunteer for a route, contact Ron or Jo at jo_grelowski@hotmail.com or 780.463.7079

Nature News

LENDRUM LIVING September/October 2014

It has been a busy and interesting summer on the Lendrum fields and in the park. Lots of folks playing soccer, volleyball, slo-pitch; the green shack had lots of activities going on; kids playing in the water and the playgrounds. What a wonderful vibrant, active community we have!

In the natural area there has also been lots of action. All the nest boxes were occupied. Unfortunately the tree swallows did not stay around, but the house sparrows found the accomodation very satisfactory and raised several broods of young. Robins enjoyed another bumper crop of saskatoons as did many of us humans. Bonnie and I watched a mother vole move her babies from one side of the gravel path below the amphitheatre to the other.

We had a very successful Family Nature Night on August 6th, put on by Nature Alberta and supported by a number of other clubs and associations. We had 47 participants who played a predator/prey game, painted with natural dyes using twig and grass brushes, they took a native plant walk and a nature walk. We saw ants farming aphids, caught katydids, looked at a sparrow's nest inside one of the bird houses, sampled the saskatoons and had iced mint tea.

The new plantings from last summer are well-established. Many bloomed this year and have made the natural area much more

colourful throughout the entire growing season. Strawberries can be found by anyone willing to look closely in amongst the tall grasses. Now the berries are becoming the colour features, with the white snowberries, orange buffalo berries, bright red rosehips and dried saskatoons. The chokecherries are also changing to brilliant red.

We spent a lot of time weeding thistle, toadflax and dandelion, filling countless garbage bags. We like to think we will one day conquer these "alien invasives", and we must be weakening the plants, but they are very persistent.

Peggy Folinsbee, Community Naturalist

Healthy Aging: Boosting Your Memory - Thursdays, Sept.25 - Oct.30 @ 1:30-4 pm

Delivered by Occupational Therapists of Alberta Health Services, this six-week series for adults aged 50+ will cover topics such as how memory works, normal changes in memory due to aging, memory-boosting strategies and lifestyle factors that affect memory.

Call AHS at 780-413-7703 to register.

Free Memberships for everyone! Getting your FREE library card is simple. Just come down to any branch with ID and proof of Edmonton address.

Gardener's Corner

As I write this on September 7, the hot and dry summer of 2014 is history. July was 2.1 degrees warmer than normal and August rainfall was 1/3 normal. What happened in your garden this summer? In my garden, an abbreviated season for raspberries but an extended harvest of sour cherries and sweet tomatoes. In Lendrum Park, we noticed an abundance of aphids but almost no slugs. Fewer voles than in past years but more grasshoppers. Did you notice the array of colours and patterns on grasshoppers' wings?

This spring with the help of John Folinsbee, Peggy and I removed the ailing highbush cranberry bushes below the Avalon parking lot. We found fat larva living in tunnels through the crowns of the plants; many cranberries on the east and north side of the hill died from the same pest. Fortunately, we were able to replace them with black chokecherries from the city nursery. This cultivar, Viking, is thriving in spite of the drought.

In June we had volunteers help to prune most of the roses, shrubs and trees in the mulched beds. Thanks to Adam Bucyk who became a master pruner over the summer. Thanks also to Greg and Luke Falkenstein and Art Bohnet, who in June, July and August volunteered to weed, prune and mulch both the ornamental beds and the natural area. One evening in June, volunteers from Lendrum and the Native Plant Group pulled and bundled thistles in such quantities, they packed the entire cargo capacity of a minivan. Thanks also to the many Lendrum residents who as they walk the park trails, pull weeds, remove litter and even bring their own pruners to shape up winter-damaged shrubs!

For a second year, Lendrum Park hosted UofA students for a half-day of service to communities around the university. Last year we had seven students; this year we had 21! Thanks to the following supervisors, we were able to organize students to complete a long list of maintenance projects. Gord Okamura drove the tractor-trailer and Art Bohnet organized 8 students who shovelled and spread 4 cubic yards of gravel along the bare path over the hill. The students and Gord worked past the end of their shift to clean up the last of the gravel. John & Peggy Folinsbee

and 4 students emptied occupied nest boxes and installed several new nestboxes and bee houses along the periphery of the park. Adam Bucyk and helper completed the fertilizing of elms along the parking lot. Harvey Guhl had another 6 students aerating, top-dressing worn turf, repairing goal nets, and moving soil to low spots below the elms along the driveway. Jennifer Purves and I helped a group of 6 students empty aphid-infested flower pots and replant with mums for fall. This group then moved to the natural area where they removed meadows of thistle and toadflax.

A special thanks to Harvey Guhl, who inspires us with his example of taking care of what you love and what you want to share with others.

Bonnie Herring-Cooper, Master Gardener

ATTENTION SENIORS (55+)!!! PETROLIA SENIORS' GROUP

Invites YOU to come to enjoy Lunch and a Program (\$15)

The third Tuesday of the month
11:45 a.m. (sharp) to 2:00 p.m.
at Greenfield Community Hall 3803 - 114 Street

Oct. 14th – Bob Lang: Experiences of a Locksmith
Nov. 18 - Fire safety for seniors (TBC)

In addition enjoy another "outing" during the month
For more information or to CONFIRM your attendance by the Friday preceding the lunch meeting please Call: Nick --780-435-1045 or Betty --780-434-0711 We look forward to your participation!

Lendrum Happenings

LENDRUM LIVING September/October 2014

Lendrum Community Camp-Out Under the Stars 2014

What a lovely evening was had by all the hardy Lendrumites who came out for this year's campout! Fourteen families braved the night in their trusty tents, but earlier in the evening the campfire was surrounded by many more friends, laughing & enjoying the good company and gorgeous evening. A campfire, some hot dogs & some marshmallows . . . sounds like a great evening for all!

The evening was concluded with a long, melodic lantern parade, complete with mason jar lantern crafts. Everything is awesome, indeed! It was great to see all the returning families, and new families joining in the tradition.

Big thanks to Liz, Sam, and Heather for the delicious pancake breakfast, and to Ron & Matthew for supplying firewood & stoking the fire all evening. With all the volunteers and great families, this event is a good time for all.

Looking forward to seeing you next August, under the stars!

Lendrum's 50th Anniversary

Gosh, where to start! So many volunteers with a lot of energy and talent to share with and for the community.

The Lendrum Amazing race was, well, amazing! Thank to to the coordinators and the all the amazing community sponsors and amazing community partners. It was great to see such amazing team spirit.

Beth Portman and her accompanist Kathy Collins were the perfect entertainment for our event. The music had nostalgia, warmth and fun. Beth's voice floated up and around our beautiful park on a beautiful day.

At one point I looked into the boardroom and the people browsing the Memory Lane exhibit were shoulder to shoulder! So many memories, stories shared and a collective history created – thank you Jo Grelowski and Petra Barker for the gift of memories! The exhibit was such a hit it went on for a second viewing at the farm museum.

For more great photos and details about all the events, please check out lendrum.org.

Abundant Community Initiative

LENDRUM LIVING September/October 2014

Hello Fellow Lendrum Neighbours!

Have you ever needed a cup of sugar while in the middle of baking or been walking down the street and noticed that someone's garage door has been left open? Have you ever felt uncomfortable talking to your neighbour about these things? The Abundant Community Initiative is all about promoting neighbourliness, where you would not hesitate to approach your neighbour about these situations or simply say "hi" and chat for a time. Unfortunately, in today's world of urban isolation many have lost the category of "neighbour" in their social relationships. Through the initiative we want to promote the idea of being a neighbour and provide opportunities for increased connections between neighbours.

We have had a wonderful few months meeting with people in the community who have volunteered to be "Block Connectors". These friendly community-minded individuals will be asking the neighbors on their block about what activities and interests they would enjoy participating in with other neighbours and what gifts, abilities and experiences they have that they would offer to fellow neighbours to enhance the connections between Lendrum residents and strengthen the social fabric of our neighbourhood.

Some of the ideas we've heard have exciting potential. There's interest in adult yoga, pick up soccer games, community gardens, ballroom dancing, the exchange of homemade canned goods, a local pub night and more. These may transpire into opportunities to interact with your neighbour alongside the many wonderful programs that already exist in Lendrum (see the program page). People are also open to using their skills to help neighbours with such things as senior care, moving items, babysitting, tool sharing, bike maintenance and snow shoveling to name a few. Furthermore, many of our Lendrum residents have unique and personal experiences they are willing to dialogue about and share with others, particularly with youth wondering about career choices. It is also our hope to get block parties organized for every street sometime in the next year.

We are still looking for additional "block connectors" and would love to have someone in place for every block in Lendrum soon. Please consider volunteering for this. We are happy to be in the role of coordinating this initiative and would love to have you join in. Lendrum really is a great place to live. Let's make it an even better one by building on our common interests and the sharing of our gifts, talents and experiences. Our neighbourhood will be safer, more vibrant and dynamic by getting to know our neighbours!

Please give us a call at 780-432-9115, email us at stewcarson@shaw.ca or stop by our house at 5507-113 Street to chat with us!

Lendrum Soccer

LENDRUM SOCCER SEEKS:

Soccer Co-Coordinator

working together with co-coordinator Jason Pfeifer for the 2015 season and beyond. Workload is generally light and only requires 1-2 hours per week or less for most of the year. Registration and coordination of outdoor season from February to April are more demanding, and better suited to two people to run smoothly. Susan Stewart was our coordinator last year and we are looking for a replacement to help keep community soccer healthy and viable in Lendrum. Duties include:

Attend monthly SWEMSA meetings (organization for soccer in the southwest)

Attend certain Lendrum Community League meetings.

OUTDOOR SEASON:

Registration: Handle registration and late registrations and collection of payment from parents and players. Largest part of paperwork with registration is handled online through SWEMSA.

Team Formation: Rallying coaches and assigning players to teams, or transferring players to other communities if local team cannot be formed.

Coach and Team Communication: Communicate with coaches and teams to provide assistance where needed, including free coaching clinics that are offered.

Coordinate Equipment: Liase with soccer equipment coordinator to make sure uniforms and equipment are provided and collected at the beginning and end of the season.

INDOOR SEASON

Registration happens centrally by the zone (SWEMSA) for indoor so there is little work to be done. If Lendrum kids register and there is a Lendrum coach, there will be a Lendrum team.

GET IN TOUCH WITH JASON
soccer@lendrum.org

Referee Coordinator

We are seeking a Referee Coordinator for the 2015 Outdoor Season.

The summary of responsibilities that the Referee Coordinator oversees during a season include:

Recruiting and maintaining a list of referees within the community: Lendrum keeps a list of referees from the previous years, and uses tools such as the newsletter, a referee database, and our community network to help find referees. Typically there are a number of youth age individuals who are interested as referees are paid.

Scheduling and Coordinating referees for games played in Lendrum by Lendrum Community teams: Referee's are required at the U10 and older age level. In 2014, Lendrum has 3 teams at these age categories so the number of games per week is currently small.

Coordinating with the Lendrum Community League Treasurer on payment to referees: Payments are currently being made on monthly basis to simplify the process and keep paperwork light.

Supporting the ongoing development of new and existing referees within the Lendrum Community: Lendrum supports those interested with free referee training courses.

Classifieds

Dog walker needed: Responsible, reliable person needed to walk our large, friendly dog four or five times weekly, 30 minutes per walk. Call Ami @ 780-433-1678

Spaces Available at Malmo Pre-Kindergarten

Malmo Pre-Kindergarten has a few spaces available in their 3 year old afternoon and 4 year old afternoon classes.

Malmo Pre-Kindergarten is a non-profit parent cooperative preschool that promotes a learning through play environment. Malmo Pre-Kindergarten believes that play enhances the growth and development of the whole child: physically, socially, emotionally and intellectually. It is through play that children learn to make sense of their world. Malmo Pre-Kindergarten is located in a classroom at Malmo school.

Please check out our new website for more information: www.malmopreschool.com or contact the Registrar: registrar@malmopreschool.com

Wanted: Lendrum Residents to deliver the Lendrum Newsletter

The newsletter is published 5 times a year. It takes about 1 ½ hours to deliver your route. Honorariums are provided. Please contact Catherine at 780-436-7179.

Holy Spirit Seniors

Invite you to join us on Wednesday October 01/2014, 12:00 noon, for a catered meal followed by entertainment. The cost is \$10.00. Please contact Harriot (434-9008) or Liz (435-5433) no later than September 29/2014 if you plan to attend. On October 08, 15, 22 and 29 join us at 12:00 for a bag lunch (bring your own) followed by cards and games. Coffee and dessert are supplied (cost is \$2.00). Holy Spirit Lutheran Church is located at the corner of 51 Ave. and Malmo Road. Our doors are always open to the community. All are welcome! The church office phone is 434-4012 if you require further information.

There are many ways to stay connected to the community!

- 1. Check out the newly redesigned website at www.lendrum.org.**
- 2. Follow us on twitter @LendrumYEG**
- 3. Join our Facebook page www.facebook.com/lendrumyeg**

Hello from your newsletter editors!

Allison and I took over as newsletter editors in May 2014 and we would love to get some feedback from you! Is there something you would like to see included? Do you have something to contribute? Let us know.

We would also like to take this opportunity to invite you to share your thoughts on what makes Lendrum a great community. Share via twitter (@lendrumyeg), Facebook (www.facebook.com/lendrumyeg) or email (newsletter@lendrum.org). We will post a few of the comments in the next newsletter.

The next edition comes out in November, and has a submission deadline of November 4.

Have a wonderful fall!
Erin Sawyer and Allison Nitchke
