**Urgently needed:** A warm-hearted Lendrum volunteer who will coordinate soccer referees for the kids of Lendrum. Contact Jason at [soccer@lendrum.org](mailto:soccer@lendrum.org) or 587-989-0907 if you can help out.

## LENDRUM WINTER FAIR 2015

**Come out Sunday, February 22, from 12-4 to join in the fun at the annual Lendrum Winter Fair!**

There will be kicksleds for racing, snowshoes for tramping about, and a horse & sleighride all afternoon. Join in a game of shinny or a sledding race down the hill! Have your face painted (volunteer dependent) or decorate a snowman with snow graffiti! Indoor games for all ages, as well as a presentation from the Playground Committee about Lendrum's up and coming playground. There will be something for everyone – most importantly, good company with good neighbours!

If your surname is A-K, please bring a savoury snack to share. If your surname is L-Z, please bring something sweet. Beverages will be supplied. Volunteers are needed and very welcome – please contact Georgina ([ghawkeye@gmail.com](mailto:ghawkeye@gmail.com), 780-920-2616)

# Greetings

## President's Message

One of the great things (and there are many) about living in Lendrum is the amazing amount of volunteerism we see, directly related to League activities and with other organizations within our neighborhood. To that end, it saddens me to think we might not have Lendrum Soccer teams this spring as we are 2 volunteers short of making the program work. The program has been successfully run with 2 Directors, 1 Equipment Manager, and 1 Ref Coordinator. At the time this was written, we have only 1 Director and no Ref Coordinator.

Registration for outdoor soccer will be happening soon (usually the latter part of February). If we do not have these positions filled, we may have to suspend the program!!! We already have one experienced Director, so there is help and guidance for the Director position. The Ref Coordinator is only active for about 10 weeks of the Spring season and the previous Coordinator is available for support. I encourage one and all to consider these opportunities – especially if you have children in Lendrum Soccer.

## Parking Limits Proposed For North Lendrum – Your Thoughts Are Welcome

Every workday 40 to 60 drivers park on or near 115th Street between 58th Avenue and 60th Avenue. The parking starts at 7:30 am and goes to 5:30 pm. The drivers park and go to the LRT. The parking is an intrusion on a once quiet street. The LRT-associated parking might expand to other parts of the community as the LRT expands.

The Lendrum Community League board will ask the City to consider one of two parking-limit options for Lendrum. The two options are as follows:

*Option 1:* A parking restriction on the east side of 115th Street from 58th Avenue to 60th Avenue. The restriction will allow 2 hour parking from 9 am to 4 pm on weekdays. With such a small parking restriction, residents do not get special parking permits. They must respect the restriction. The restriction can be expanded on a block-by-block basis if the LRT-associated parking expands to adjacent streets.

*Option 2:* A parking program for areas north of and including 56th Avenue and west of 113th Street. 60th Avenue would not be included. The west side of 115th Street is not included. All residents get as many non-transferable parking permits as they have cars registered to their address. Residents can apply for visitor permits. Persons without permits can park for 2 hours between 8 am and 6 pm on weekdays.

Option 1 and 2 require that 66% of the residents in the parking zones agree in writing. Option 1 is a short-term solution. However, if the parking issue gets larger, Option 1 can be an interim step to a larger parking program.

If you have any thoughts, send your comments to [civics@lendrum.org](mailto:civics@lendrum.org). The Lendrum Community League board will decide on Option 1 or Option 2 at the regular monthly meeting in the community hall on February 2, 2015.

# Playground Redevelopment

Coming out of the City of Edmonton's budget discussions in December, we are happy to report that Lendrum has been officially approved for a Neighbourhood Parks and Development Program grant of \$250,000, the maximum allowed! Now, we await word about the Community Facilities Enhancement Program grant, from which we have requested \$125,000. It's the last cornerstone piece in our funding, and again, if you get the chance, please let our MLA Steve Young know Lendrum needs this grant, and anything he could do to encourage the Minister in charge about this would be very helpful indeed. His email is [edmonton.riverview@assembly.ab.ca](mailto:edmonton.riverview@assembly.ab.ca), his office phone number is (780) 414-0719, or you can even Tweet him at @SteveYoungMLA.

We are also working on a final design for the playground with our chosen playground supplier, Park N Play. The City would like to see a final design by the end of January so we aren't able to do as much community consultation as we'd like to, but we've been listening to you for the past 5 years and we know what Lendrum wants. Please know we are working on something that will set our playground apart, and we are hoping to unveil the design at a community event soon... Many thanks again for your continued support!

# Lendrum Abundant Community Initiative

LENDRUM LIVING January/February 2015

Many of us belong to lots of different kinds of clubs, groups and associations. Each is held together by a common gift, skill, interest or passion. Choirs are associations that magnify the gifts of people who sing well (or enjoy singing). Athletic teams collect people together with sports skills.

Whatever the group, the “glue” that holds it together is whatever the members have in common — something important enough to lead them to join and actively participate.

When we consider the neighbourhood & more specifically our block, if it is organized it is because something in common leads people to want to come together. Where blocks are not organized, it is because neighbours don't know what they share or have in common. Just living on the same block is not enough to pull many people out of their houses to join with neighbours (except perhaps for an annual block party). One step up is the block club created to deal with crime, safety and security. But that is a community drawn together only by fear — creating a fortress mentality.

There are some neighbourhoods, however, drawn together because they have discovered the gifts, skills, interests and passions of their fellow residents. This knowledge is the catalyst for all kinds of new relationships. The connections may be between two neighbours who discover a mutual interest in yoga. Or it may be several neighbours

with an interest in gardening. Or it may be all the neighbours who discover their common interest in being a village that raises a child.

Whenever a neighbourhood comes together in powerful and satisfying ways, it is because two things have happened. First, they have found out about each other's gifts. Second, they have made new connections based on these gifts. It is the sum of these connections that “glues” a neighbourhood together. (JMcKnight)

To that end we are looking for people who understand and value neighbourly relationships & who have a knack for making friends and acquaintances to help us with our Lendrum Abundant Community Initiative. Our hope is to find a Block Connector for every block in Lendrum.

Are you someone who naturally makes introductions and connects with neighbours? Who's the friendliest person on your block? We want to know!

## **Information on Coyotes**

Coyotes are seen regularly on the University Farm in the winter and sometime travel into Lendrum's neighbouring streets at night.

[City of Edmonton](#) provides information on what to do if you encounter a coyote.

## New Year's Party 2015

Happy New Year! Who would have thought so many brave Lendrumites would come out on a freezing day with a high of -25°C?? Thirty great neighbours came to the hall on January 3rd to have a few runs down the hill on toboggans and kick sleds, a few turns around the fantastic ice rinks, then all warmed up together with hot chocolate, cookies and a few games. We started the New Year off right with a great fireworks show when the sun went down. Big thanks to Matthew & Ben for their fireworks skills, as well as Christine, Sarah & Katrina for their help setting up & cleaning up. It was a really good afternoon with good neighbours.

Looking forward to seeing everyone at the Winter Fair on February 22 – let's all cross our fingers for a warmer day. Although, it looks like cold weather can't keep this neighbourhood down!

## Lendrum Community Chilli Cook-Off

Lendrum's first Chili Cookoff was a huge success! A great time was had by all that Sunday evening! Congratulations to the night's big winners: Pam Smith, Daryle Tilroe & Kathy Turnbull! More than 60 folks came out and enjoyed 10 different chilis – it was a great turnout. Kathy's Neighbourhood Choice Chili recipe is included below for your cooking pleasure!

Many thanks to all the volunteers who donated their time, as well as the event sponsor, J.R. Golf Course, who donated all the drinks. It was a great time of meeting neighbours, enjoying good food, and a lot of laughs. We are already looking forward to next year!

### Kathy's Easy Slow Cooker White Chili

- 6 boneless, skinless chicken breasts (or use thighs & breasts)
- chili powder, cumin
- 3 celery sticks, 1 small onion, 2 small jalapeno/serrano peppers, chopped
- 1 can of whole mushrooms, drained (or use fresh mushrooms)
- 1 c frozen corn, white or yellow, thawed
- 1 can white kidney beans
- 2 jars President's Choice Roasted Garlic Alfredo Sauce (or use 3 c homemade Alfredo sauce/white sauce plus parmesan)

Brown chicken in non-stick fry pan in a bit of olive oil. Sprinkled with chili powder and cumin as they brown. Transfer to crock-pot & chop into bite-sized chunks with food scissors. Now brown celery, onion, peppers & mushrooms and transfer them too. Dump in the beans (with liquid) corn and sauce. Cook on low all day, adjust seasoning with salt, pepper & hot sauce. Enjoy!

## Neighbourhood Watch

### Break-ins in Lendrum

There were a number of break-ins in Lendrum in November and December.

The Fagans had a welder and trailer stolen from their driveway. The thief pushed their SeaDoo into the alley, pulled the welder out and cut the lock. If anyone has any information please contact the police.

Please be a good neighbour and watch out for suspicious activity at your neighbour's houses and garages. If you see anything suspicious call the police!

### Edmonton Neighbourhood Watch

Please report crimes, concerns and incidents to the Edmonton Neighbourhood Watch we can alert our network of volunteers to be more watchful and to increase security measures.

Happy New Year!

I hope you are staying warm during this cold snap. I know it has put a bit of a damper on our use of the rink and tobogganing hill (freezing cold kids do not equal fun times).

It's hard to imagine that soccer registration is next month and that soon enough the snow will be gone and spring will be here. I know that the soccer coordinators are looking for a number of volunteers to help out this soccer season (they are especially needing a referee coordinator). Even if you don't have kids in soccer currently, this may be your opportunity to make a difference in the lives of the younger residents of our neighbourhood so please consider helping out.

And if soccer isn't your game get in touch with any of the executive to find out where your talents may be put to best use. As a community we can accomplish great things!

See you at the winter fair!

Erin
