After many years of planning and fundraising, it's finally here! Come check out your beautiful and exciting new playground on Saturday, October 3rd. Combined with the annual Turkey Trot, this event will be fun for everyone complete with a fundraiser BBQ, games, ribbon-cutting by the kids (BYOS- Bring Your Own Scissors!), cake and of course, playing on our amazing new nature-themed playground!

The festivities start at 10:30 am with the Turkey Trot (more details on page 11). The opening will take place at approximately 11:30am with a bbq and fun and games to follow.

Greetings

President's Message

September is always a busy month as we shift gears from summer vacation to back to school. Amid all of the business, don't miss some important community events:

- Playground completion!!! (Check out details for the Grand Opening)
- Time to get your 2016 Community League membership – contact Joanne, membership@lendrum.org
- Many programs restarting at the Hall – check the community calendar for details

Also, there is the possibility of a new development in Lendrum. The Capital Region Housing Corporation (CRHC) is looking to redevelop the site they own along 60th ave. The two buildings there would be demolished and one new, larger structure would replace it. I invite interested residents to come to a discussion night to talk about the potential issues and benefits surrounding this proposed development.

Tuesday, September 22nd, 7:00 pm at the Hall

If you can't make this meeting, you can also send me your input via email.
Gary Goulden – president@lendrum.org

Message from Councillor Walters

On August 19th at Transportation Committee, representatives from several neighbourhoods came to Council to speak about issues with shortcutting and speeding. This problem clearly isn't isolated to just one part of the City, but occurs in many residential areas that are bordered by busy arterial roadways.

This problem isn't new, but it has been getting more serious as neighbourhoods at the City's edges grow, with more and more people commuting into the core.

Efficiency in moving this traffic is important, and we need to have ongoing conversations about decreasing congestion on arterial roadways. But we also need to protect neighbourhoods in cases where unsafe driving behaviour is becoming the norm.

Traffic Management pilot projects like the one in Pleasantview are going to become more prevalent as communities grapple with these problems. The pilot project on 106th St and 109th St has had some success in reducing traffic to certain parts of the neighbourhood, but it has also had consequences for other parts of Pleasantview. The first full set of traffic data will be evaluated in mid-September, and Transportation will respond accordingly to the volume, behaviours, and speeds that they see in that data.

Big picture, it comes down to the choice between safety and speed of travel. The pattern tends to be that people choose and advocate for safety when in their own neighbourhood, and for speed and ease of travel in every other area. This has to change - we as residents can't expect that our neighbourhoods will be enclaves of safety if we aren't going to actively participate in creating a culture of safe driving when in other areas of Edmonton.

As always, if you have any questions or concerns, you can feel free to contact me at michael.walters@edmonton.ca, or at (780)496-8132.

Civics

The University of Alberta is building a large new structure to store \$750 million in older books on the farm south of the Saville Centre. Construction starts this autumn and finishes in 2017. The university will hold an open house this autumn. The date of the open house will be announced soon.

The Capital Region Housing Corporation is considering replacing the two apartment buildings north of 60th avenue with one larger building. The project is in a conceptual stage. The Capital Region Housing Corporation would like community input. Lendrum Community League is planning a meeting to discuss the proposed project on Tuesday, September 22 at 7pm at the Hall. The League wants your thoughts by email in advance of our community meeting. You can send comments to civics@lendrum.org.

Two thirds of people in northwest Lendrum signed an “expression of interest” supporting an 8am to 6pm – 2 hour parking program. Lendrum Community League submitted the signatures to the City in early July. The City responded that it wants the program expanded to the street adjacent to the hockey rink between 56 Avenue and 113A Street to simplify the program’s enforcement. Canvassing on this street will begin in September.

Please contact civics@lendrum.org if you have concerns or comments.

Lendrum Happenings

It's been a beautiful and busy summer here in Lendrum Place. We started the summer off right at the Summer BBQ in June. We had a great turnout of families and friends to celebrate the end of the soccer season and the beginning of the summer holidays. Everyone had fun at the bouncy castles, painting faces, enjoying a burger and having their photos taken at the Photo Booth! This event is largely run by soccer parent volunteers, but this year we had a number of people without kids in the program step forward to help. Big thanks to all of you who lent a hand.

Lendrum hosted a great outdoor movie and dance night, run by the Pleasantview Community League in July. A variety of dance troupes came out to teach and demonstrate, classic cars were on display, and a few food trucks came out to make it a great evening. Waiting for the sun to set so we could all watch Grease outdoors on the big screen was the toughest part of the night!

And finally, the annual Lendrum Campout was great fun in August. Ten families tented in our field, after a great time of chatting and laughter around the campfire. The kids made mason jar lanterns, and lots and lots of smores, and everyone had fun. This event is always so relaxed and fun - big thanks to the volunteers who helped everything run smoothly.

Annual Turkey Trot

Come out to Lendrum Hall on Saturday, October 3 at 10:30 for our annual Turkey Trot! Come with your family for a 3 km stroll around our neighbourhood, or try out the 5 km run

– but more importantly, come to enjoy time with your neighbours.

All are welcome – families with strollers, folks with bikes or rollerblades – and every participant is entered in the draw for a Thanksgiving turkey! Hope to see you there for a fun time together in the autumn colours. After the run, stick around for a fundraising community BBQ to kickstart phase 2 of the project and to play on the new playground!

Second Annual Chili Cook-off

Last year's first chili cook-off saw 10 contestants put their chili to the test – but only one person walked off with the Neighbourhood Choice award. Have you spent the last year tweaking your recipe? Put your chili up to the taste test of the neighbourhood – enter in the Lendrum Chili Cook-Off! Or get your taste buds ready to be wowed by your neighbours' chili skills, and enjoy a fun evening with friends.

Come to the hall Saturday, November 21 from 5-8pm and vote for Lendrum's Best Chili. \$5 entry gets you a bowl & spoon, 3 votes, and as many refills as you can handle. A variety of beverages will be available for purchase. Prizes for winners in "Best Traditional Chili", "Best Vegetarian Chili", and "Neighbourhood's Choice". The winners will have their recipes posted on our website so the whole neighbourhood can enjoy them the following weekend for Grey Cup.

If you are interested in entering your chili, or volunteering for this fun evening, please contact ghawkeye@gmail.com. Looking forward to seeing you soon!

Have you checked out Lendrum's Facebook page yet? A lot of great information and neighbourhood tidbits are posted there (almost) daily. Thanks to everyone for all the contributions.

It's exciting to see the playground being built. My family has been doing daily visits to check out the progress. The excitement generated by the new playground will hopefully continue as we raise funds for the new splash park and landscaping features. A silent auction is in the works so keep your eyes open for news of that. And if you have an item that could be donated, give Allison a call (780-988-0601) or send her a note (playground@lendrum.org).

Apple season is almost upon us if you have apples that you can't use but would be happy for others to pick, consider posting a note on Facebook, or give me a call (my family loves local apples, we keep them in the freezer for winter baking).

Happy September,
Erin
