Scenes from the Grand Opening!

Lendrum Community Chili Cook-Off

Last year we had 10 contestants enter their best chili recipes for a neighbourhood taste test. I wonder who will walk away with the Neighbourhood Choice award this year?? Put your chili up to the taste test – enter in the Lendrum Chili Cook-Off! Or get your taste buds ready to be wowed by your neighbours' chili skills, and enjoy an evening with friends.

Come to the hall November 21st, from 5-8 pm, and vote for Lendrum's Best Chili. \$5 entry gets you a bowl & spoon, 3 votes, and as many refills as you can handle. A variety of beverages will be available for purchase at this family friendly event. Big prizes for winners in "Best Traditional Chili", "Best Vegetarian Chili", and "Neighbourhood Choice". The winners will have their recipes posted on our website so the whole neighbourhood can enjoy them.

If you are interested in entering your chili, or volunteering for this fun evening, please contact ghawkeye@gmail.com. Looking forward to seeing you there!

Greetings

President's Message - November - Change

As the seasons change, I have been reflecting on the process of change. We are always looking to change things about ourselves or our environment. Yet when change comes to us, we don't always readily accept it. Lendrum is a community in the process of changing. We see some of our former residents moving on and new folks entering in. Older buildings (and playgrounds) are renovated or replaced. We will likely soon see the redevelopment of the Capital Regional Housing site (apartments on northside of 60th ave) and the possibility of new parking programs to address further park & ride concerns.

And Lendrum must continue to change. What is the future of our hall, skating rinks, parks...? What new businesses can we attract? What will happen with development on the South Campus? And what is the role of the Community League in this process of change? These are big questions that we will be facing in the present and near future.

I encourage residents to stay informed and involved as we work through these processes of change. As always, you can join discussions at our monthly League meetings (first Monday of the month, 7pm @ the hall), participate in community events and meetings, and send feedback to me, president@lendrum.org

Abundant Community Initiative

Remember the good ol' days, when neighbours knew their neighbours and did a variety of activities together on a regular basis and watched out for each other?

Well the good news is that more Lendrumites, as well as other Edmontonians, are experiencing this reality through the Abundant Community Initiative.

The Abundant Community Initiative (ACI for short) focuses on bringing people together block by block and encourages the development of local activities. It could be a dog walking program, a choir group, a shinny hockey time - anything that appeals to people in the neighbourhood or block. Some of these activities might be run through our community league, while others might simply happen between neighbours living on the same street, such as block parties or wine & cheese gatherings.

Lendrum ACI can make neighbours out of strangers. Recently during one block party here in Lendrum young mom said, "I just love my street & how the older kids play with the younger kids!"

If you are interested in helping connect the people on your block please contact Stew or Anola Carson, stewcarson@shaw.ca.

Are you interested in a car share program? Lendrum resident Erika Borgersen has recently signed up for the Pogo car share program (<https://pogocarshare.com/>) and wanted to share the idea with other residents. The more residents that sign up with memberships the easier to expand the program into Lendrum. Great idea for the environment and much more cost effective than owning a car!

Civics

The University will hold a second and final workshop regarding the construction of the large Research Collection and Resource Facility on South Campus. The workshop will be held on Tuesday, November 24th from 5 to 8 pm at the AgriFood Discovery Place on South Campus. Construction will begin just south of the Saville Centre in spring 2016 and be complete in 2017.

The University is in discussion with the City of Edmonton regarding a potential twin ice arena west of the Saville Centre. Access to an arena will be from 122nd Street.

The University is planning the construction of a roof for Foote Field for the fall of 2016.

The City circulated a notice to north-west Lendrum residents saying signs for a residential parking program would be installed by the end of December if 1/3 of residents did not express opposition to the program by November 2, 2015. The City has not yet announced whether more than 1/3 of residents opposed the program. If the program proceeds, the signs will prominently say "Malmo" because this program is an extension of the Malmo parking program. However, in two years the signs will be changed to read "Southgate". The signs are so titled to make enforcement easier to administer

Many thanks to Stephen for all his hard work on the parking program!

Heartfelt thanks to the lady (Joan?) who came to my assistance when I fell while working in my front yard (114A Street) on Oct. 1st. I would like to be able to thank you personally. Ole Myhre (780.434.1993)

A note from a Lendrum resident:

Some of us in the neighbourhood contribute recyclable bottles to Empties to WINN, a fundraising initiative of the Winnifred Steward Association. We receive a tax receipt for the bottles we put out in large green bags on designated days. Recently someone has stolen the green bags from the front steps of several homes on 115 Street - arriving at about 7:30 am - before the 8 am time that WINN requests. WINN has suggested that if this has happened to you, please contact WINN to let them know and they will suggest an alternative place to put out your bottles.

EFCL's 100 Year Anniversary Project Needs You!

Are you a history buff that would like to learn more about your community? Do you have old files and photographs from your community league? Your photos and memories - think sporting events, parades, picnics, volunteering and more!

- Share your information with Leslie (EFCL 100th historical project coordinator and researcher) at leslie.holmes@efcl.org or visit <http://efcl100.tumblr.com> to submit your memories.
- Get organized and informed - form a history group in your community league and start digging. We will be hosting two workshops to assist leagues in researching their community history and starting their historical record keeping:

Lendrum is seeking donations of park benches

The City's Benchmark program was established to offer individuals and groups the opportunity to honour friends and loved ones, or to celebrate special events through the refurbishment of an existing park bench, or the installation of a new bench. A bronze plaque will be placed on the bench to serve as a lasting tribute. Opportunities also exist for park tables.

Type of Bench	Cost	Includes
New Park Bench/Location	\$3500	Installation of new bench, plaque and installation of concrete pad
New Bench on Existing Concrete	\$2500	Purchase and installation of new bench and plaque.

For more details, check out: http://www.edmonton.ca/programs_services/tribute_honour/benchmark-program.aspx or contact Harvey Guhl at 780.504.7046.

Park Redevelopment

Thank you to all playground donors and supporters!

Park redevelopment is a huge project for our community but we are more than half way there! With our wonderful new playground in the books, the Park Redevelopment Committee has turned its attention to Phase II. Plans include a redeveloped spray pad, a new shade structure, new park furniture, new landscaping and a new trail. The city will share an updated budget and design this month. Due to the City's Aquatic Strategy program coming to a close in 2017 (from which we have been granted \$125,000) the deadline to reach our required fundraising amount is less than 18 months away. Ideally we will reach it before then allowing for construction next summer and we are working hard on fundraising initiatives and grants to put that goal within reach.

One new initiative is the **Legacy for Lendrum** brick program which will see engraved bricks placed in the park setting. Many thanks to those who have already placed their orders. The very first brick ordered was a birthday gift donated in honour of original Lendrum builder & owner Ruth Anderson from her children Deb, Karen and Don. Please see lendrum.org for more info and to order.

Currently we have \$285,766, which is 48% of project costs (\$605,000). We are waiting to hear back on three grant applications and have one more to submit next month. If successful we would be at 92% of our goal. However, we are unlikely to be successful in all our pending applications or to get the full amounts requested. Therefore, private and community donations are **vital** to the success of park redevelopment. If you have been considering a tax-deductible donation or a brick sponsorship, please contact the committee or visit lendrum.org. Our community fundraising goal (bricks, private donations, fundraising events like bottle drives) to complete park redevelopment is \$75,000 and currently sits at \$8,670. Donation & brick forms are found at lendrum.org/parkredevelopment_donatesupport.html. Forms and cheques can be dropped off at 5807 113a Street. Allison 780-988-0601

Turkey Trot Recap

This year's Turkey Trot was combined with the Playground Grand Opening – and despite the weather, we had a fantastic turn out for the event! We only had a handful of brave Turkey Trotters, but those that did participate enjoyed a beautiful walk through our neighbourhood. The big winners were Naveen Chaudry and Ethan Loyer. Hopefully next year will be a sunnier day for the participants!! Big thanks to Southgate Safeway and the Sanderman family for their turkey donations.

Ring In the New Year with Lendrum

Come celebrate the beginning of a new year with neighbours and friends! We will be having a New Year's Day party, January 1, 2016 from 3-5:30 pm at the hall.

Come down for some shinny, sledding, kicksleds & snowshoes, and a great fireworks display when the sun goes down. Bring your leftover holiday treats, and come warm up at the hall with hot chocolate, popcorn and games for all ages. See you there!

Social Events Coordinator Needed

Lendrum Community League is looking for a new Social Events Coordinator, starting in July 2016. This role is a lot of fun, and can be as busy or as relaxed as you want to make it! Take this chance to hold the events that you and your family and friends will enjoy. It is a great opportunity to meet other members of the community, and bring people together.

Get in touch with me (ghawkeye@gmail.com) for more information.

I look forward to hearing from you!
Cheers,
Georgina

Playground Grand Opening

The playground has now been officially open for more than a month and judging by the number of children playing on it, it is a huge hit!

The playground grand opening was a great success. Greetings and congratulations were brought from Lori Sigurdson (MLA for Edmonton Riverview and Minister of Advanced Education and Minister of Jobs, Skills, Training and Labour), Mayor Don Iveson and Councillor Michael Walters on behalf of the province and the city. Joe Kostler brought greetings (and a giant cheque) from the Alberta Recycling Management Authority, who helped to fund the amazing rubber surfacing. The celebrations and bbq saw Lendrum residents new and old come out to enjoy each other's company and check out the new playground. It was also an opportunity for everyone to brainstorm new ideas for phase 2 of the redevelopment and we are looking forward to celebrating that with you soon (fingers crossed)! Thanks again to everyone who made the playground and the event happen. Your contributions are what make our community so amazing.

Proposed Redevelopment

A very constructive community meeting was held on September 22 about the proposed redevelopment of Lendrum Manor and Lendrum Villa apartments at 11420 & 11440 - 60th Ave. For those residents who were unaware, a proposal for rezoning has been submitted to the city. The proposed redevelopment would consist of 3 mid-rise buildings, one 8-story building and two 4-story buildings. A portion of these apartments would remain affordable housing units. To keep everyone informed we thought we would share the following image, which is merely meant to be illustrative, and is subject to change during the design and construction process. The city has agreed to strike an impartial panel to work with the neighbourhood and the developer to ensure that this development is a success from all points of views. If you have questions about the proposal please contact president@lendrum.org.

In Memoriam: Doreen Thompson

In May of this year Lendrum lost a longtime resident, Doreen Thompson. She and Stan were two original residents and raised five children in their house on 55 Avenue. Doreen welcomed newcomers to the community and remained a true friend to many until her death. Any visit to her house meant a trip to the basement to see Stan's latest projects, an invitation to supper, a check on her violets and her latest knitting projects.

Doreen came regularly to our craft group, she always made the rounds and chatted with everyone about their projects. She offered advice and encouragement, shared her knowledge and supplies of yarn, fabric and embroidery thread. She was always knitting mitts which she donated to inner city schools. Doreen had a great sense of humour and laughed at herself and us when projects went awry. In the last year or so, she brought Stan along to the craft group. She was always very kind and patient with Stan, whose health, hearing and mobility were failing. He was an excellent wood carver and also built small wooden objects which he was happy to give away. He gave us all knitting needles, bird feeders, spurltes and ring holders. Stan now lives with his daughter Beth. We have lost a very special woman and have chosen to celebrate her life by knitting and crocheting scarves to be donated to the homeless.

The Lendrum Craft Group is a diverse group of people who enjoy getting together to knit, quilt, crochet, embroider, cross-stitch, do woodcarving, silversmithing, rug hooking, cardmaking, drawing, painting, and often finish up long overdue projects. For more information on the Craft Group please see the Programs section on page 14.

Help Take Care of Our Lamp Posts!

The board has heard from Lendrum residents with valid concerns about signs being taped up on our lamp posts. These lamp posts were chosen when the sidewalks were redone and the residue that the tape leaves behind will damage their appearance. Consider taking fifteen minutes out of your busy schedule to remove some of the gunk from a nearby lamp post to help maintain them. If we come together as a community to work on this it will be dealt with in no time!

Hello November!

We have been lucky to experience some great weather this fall, which has meant we can actually use our new playground before the snow flies! It's thanks to the great spirit of volunteerism in our community that we have this fancy new playground. Speaking of volunteers, did you know that all the events and the communications and the great insight into civic happenings, and more happen because of volunteers. So I would like to encourage everyone to take a minute to think about all the hard work that is taking place so that you can enjoy great events, a beautiful park area, a fun rink, etc. (the league provides a lot!), especially before you decide to send in complaints. We welcome feedback but let's keep it constructive :)

Thanks for reading! Erin
