## President's Message - Summer 2016

AGM update: Special thanks to Georgina Hawkey as she steps down as Social Coordinator. That position remains open, so if you are interested in coordinating or planning even one event, let me know.

Future Planning: In 2013, we established a strategic plan that was a three year plan. We are starting to look at direction for the next three years. I would like your input. What activities should we be planning/promoting? What projects should we be working on? What issues require greater attention?

Please send along any thoughts that you have regarding the future direction of Lendrum Community League.

Gary Goulden – president@lendrum.org

## Message from Councillor Walters

Each year, Edmonton Transit adjusts around 10,000 service hours to ensure that all of their routes are generally compliant with the City's transit service standards. Those standards require a certain amount of ridership in order for a route to be viable.

The standard boarding requirements for ETS are:

- Weekday peak: 30 people/hour boarding
- Weekday peak in industrial areas: 20 people/hour boarding
- Weekday off-peak: 15 people/hour boarding
- Saturdays and Sundays: 15 people/hour boarding
- Late Night and Owl Service: 15 people/hour boarding
- Community Bus Routes: 10 people/hour boarding

Each year ETS makes fairly small adjustments to routes that aren't meeting these standards. But this year is a little different. The City is facing budget pressures, and ETS didn't receive new funding

for routes in the last budget. That means that ETS needs to find efficiencies within its existing operations if they want to add frequency or new service along heavily used or high demand areas.

To do this, ETS brought forward a series of service change proposals to routes that do not meet the service standards I outlined above. Some of these changes are service reductions, and some are enhancements, but all the changes will have real impacts on ETS users throughout the City. All in all, around 750 total transit trips in Ward 10 will be affected by these changes per week.

To see the changes to service that have been approved, you can head to my blog at [www.michaelwalters.ca/busserviceadjustments](http://www.michaelwalters.ca/busserviceadjustments) to see a full list of the Ward 10 and to find a link to the complete list of the City-wide changes. If you have any questions or concerns about the changes, please feel free to contact my office at (780)496-8132 or [michael.walters@edmonton.ca](mailto:michael.walters@edmonton.ca).

### An Invitation to our U of A South Campus Neighbouring Communities

The U. of A. Faculty of Agriculture, Life and Environmental Sciences (ALES) is pleased to extend an invitation to our upcoming "ALES Museum Neighbours Open House", Saturday, June 11, 2016, 10am to 4pm. Come and look back on our agriculture history and rural roots. Tour the "Ag-Artifacts" and enjoy the stories, hospitality, and refreshments. There will also be a "Museum Loonie-Toonie Barbeque" available from 11 am – 2 pm with net proceeds in support of further museum development (hot dogs \$1 / burgers \$2). We look forward to your attendance at the Museum (6647-118 Street at the SW corner of Foote Field). For further info contact: Jack Francis: [jvfrancis@shaw.ca](mailto:jvfrancis@shaw.ca) or 780-999-7831

## University Farm

The City and the University have signed an agreement to cooperate to build a two rink arena west of the Go Centre. Access to the arena will be from 122 Street. One rink will have a 3000 person viewing area. The other rink will be dedicated to community use. The City has been asked to contribute \$20 million to the project.

## Lendrum Dog Off Leash Area

The Community League is considering five options for an off leash area in Lendrum. Please review the list of following options and send your comments to [civics@lendrum.org](mailto:civics@lendrum.org) by September 2016. A community meeting will be held in October to discuss the options. A recommendation will be made to the City in December 2016.

The City completed its “Dogs in Public Spaces Strategy” in March 2016. The City is now developing a process for community leagues to apply for off leash areas. The City will accept proposals for new off leash areas in 2017.

### Option 1 (Do not have an off leash area):

Currently Belgravia is the closest off leash area. It is a twenty-minute walk from the northern boundary of Lendrum.

### Option 2 (51st Avenue Dry Pond):

The dry pond on the south-east corner of the farm has a large flat bottom. Its steep embankment is a natural barrier to traffic conflicts. The pond can serve both Lendrum and Malmo residents. One limitation is that the pond bottom could be wet for long periods.

### Option 3 (115 Street boulevard):

The boulevard extends the length of Lendrum and thus provides the best access for the majority of Lendrumites. The area is currently serviced by two cans for dog waste that are regularly serviced. This area is already heavily used by dog owners in Lendrum and Malmo. It is adjacent to a street with speed controls and so reduces conflict with traffic.

### Option 4 (60th Street Dry Pond):

The dry pond to the north of Lendrum has a large flat open area. The area is fenced and is unlikely to cause conflicts with other users. The area might be hard to access for city trucks managing dog waste. The area might be wet for long periods of the year.

### Option 5 (111th Street / LRT Tunnel):

There is a green space to the north of Lendrum and south-west of the LRT tunnel. This space includes an area the City is trying to “naturalize” to create habitat for wildlife. It also has a bike path. The naturalized area and bike path are likely not good fits with an off leash area.

Criteria for choosing an off leash area:

- Reduce current unauthorized off leash activity in areas like school yards and the university farm.
- Minimizes potential conflict between pedestrians and safety issues for children.
- Minimizes traffic and parking activity if people drive to the area.
- Maximizes the ability of Lendrum dog owners to get to and use the area. Benefits include meeting neighbours and socializing dogs. It also reduces traffic in the city because people do not drive to off leash areas.

For more information please contact Stephen at [civics@lendrum.org](mailto:civics@lendrum.org)

### **Not yet a member of Lendrum’s Community League?**

There are many benefits to joining: access to hall rentals, skate tags for the outdoor rinks, five free swims a year, community soccer, and more!

## Morning Care and School Drop-off Wanted for Fall 2016

Looking for childcare for my 5 year old boy, James, on Tuesday and Thursday mornings from 7:40am. He is enrolled in the French kindergarten class starting in September 2016. \$100/month and I will provide food for breakfast. Call or text if interested. Eva Holloway- 587 990 6025.

Looking for an opportunity to volunteer an hour or two a week close to home? If you are interested in working with long term care patients at South Terrace, contact Kyla Romanchuk at (780) 434-1451.

## Volunteers needed to assist with athletic park and grounds maintenance for the summer of 2015

Lendrum's athletic park and natural area are kept in such great shape by community volunteers. Your help is needed to keep it that way. If you can lend a hand for a few hours here and there or on a more regular basis your help would be greatly appreciated! Please contact Harvey at 780.504.7046 or [athleticpark@lendrum.org](mailto:athleticpark@lendrum.org)

Moving? Downsizing? Decluttering?

I can help you with that. I will take your unused items and sell them for you on Kijiji on a commission basis.

## DROP-IN KNITTING AND CROCHET

The Lendrum Craft Group will be hosting drop-in evenings for knitters and crocheters from 7-9 pm on the first and third Tuesdays of each month starting September 20, 2016 at the Community Hall.

All are welcome- all levels of crafters and all genders! We will have some supplies available to get complete beginners started on projects such as dish cloths, scarves, or squares for Blankets for Canada. This will be informal mentoring rather than a course of instruction. If you have unfinished projects languishing, bring them along and perhaps some help with the tricky bits or maybe just some enthusiasm and encouragement will help get things rolling again. If you just want to stitch with some friendly neighbours for a relaxing evening, this is for you!

Members will bring some light refreshments. Cost is a twonie a time.

Contact Heather Jenkins at 780-436-7011 or Joanne Leicht at 780-435-1574 for more information.

A Lendrum family is looking to renovate/rebuild in Lendrum. If you are interested in selling please email camera5052@gmail.com or call

## LOOKING FOR A PART TIME SITTER/ NANNY

LIGHT HOUSEKEEPING · LIGHT MEAL PREPARATION · HOMEWORK SUPERVISION · LAUNDRY

Hello Lendrumites! I am looking for part time care for my two children two days a week in starting in August 2016.

My children are 5 and 8 and they go to Lendrum School which is about a 5 minute walk from our house. I'm looking for a sitter/nanny that can work from 9-5 pm on Tuesday and Thursday (this may be flexible) which would include pickups at 12.30 and 3.30 and care until approx. 5 pm. While the kids are at school there would be time for housework and easy meal prep.

Pay is negotiable and references are required. Please call 780.995.4705 and ask for Gillian if interested.

### Lendrum Park Area Garden Workbees

Pull on your gardening gloves and help our master naturalist and master gardener keep Lendrum's common areas beautiful! Garden workbees will be held every Tuesday in June, July and August from 7-8pm with refreshments to follow.

## Lendrum School

### School grounds revitalization

Hello/Bonjour Lendrum!

We would like to work with Harvey from the Lendrum Community League in order to revitalize and maintain certain parts of our school grounds. We are very appreciative of the efforts our Community League makes to ensure our students have a great place to play. As we move forward, we'd like to increase the amount of grass at the top of our sliding hill, as well as around the large, green electrical box.

Harvey and I met late last week, and were wondering if we had any parents in the school community who would be able to donate a load of topsoil or compost. If someone were able to do that, we would work with the school district to provide the donor with a charitable tax receipt.

Harvey and the school would supply some of the materials, and we would assemble a volunteer crew one evening to spread the soil, lay down grass seed, and set up stakes with flagging tape. It is our hope this would help our grounds and enable more children to have fun outside.

If you have any connections to landscaping, please let contact us at the school:  
780.434.3588, or my email at: [jason.ludwar@epsb.ca](mailto:jason.ludwar@epsb.ca)

Thank you! Merci!  
Jason Ludwar, Principal

### **City of Edmonton Bike Safety Program**

Fun and basic bike safety skills are the focus of this free, drop-in program for all ages - children under 5 require a guardian to attend. For dates and more information check out the city website.

### **Lendrum is seeking donations of park benches**

The City's Benchmark program was established to offer individuals and groups the opportunity to honour friends and loved ones, or to celebrate special events through the refurbishment of an existing park bench, or the installation of a new bench. A bronze plaque will be placed on the bench to serve as a lasting tribute. Opportunities also exist for park tables.

Type of Bench	Cost	Includes
New Park Bench/Location	\$3500	Installation of new bench, plaque and installation of concrete pad
New Bench on Existing Concrete	\$2500	Purchase and installation of new bench and plaque.

For more details, check out: [http://www.edmonton.ca/programs\\_services/tribute\\_honour/benchmark-program.aspx](http://www.edmonton.ca/programs_services/tribute_honour/benchmark-program.aspx) or contact Harvey Guhl at 780.504.7046.

# Park Redevelopment

Lots of exciting news and happenings on the spray project! Recently we were successful in obtaining a Community Facility Enhancement Program Grant for \$125,000. Last weekend about 160 Lendrumites came out to St. John's to visit with friends and neighbours, support the project and bid on lots of great items and services from our amazing donors. Many thanks to all who came out and who donated including Geoff Scott who donated his 50/50 winnings. The evening brought in more than \$8000 for the spray park meaning the project is now 98% funded and leaving just over \$10,000 remaining to be fundraised by year end. Brick sales continue and forms are on the Lendrum.org website.

**--VOLUNTEERS NEEDED--**

Volunteers needed this summer for our other fundraising events. If you have an hour or two to give please email [playground@lendrum.org](mailto:playground@lendrum.org):

## 6th Annual Campout Under the Stars

Mark your calendars for Friday, August 12

Come camp out in your own community! Bring your tent & sleeping bag and enjoy family games & activities, a craft for the kids, and a hot dog & marshmallow roast for everyone! Please bring a campfire snack to share, and we will provide the rest, including pancake breakfast in the morning. If you're not up for sleeping in a tent, come by with a lawn chair and enjoy the evening around the fire pit with neighbours.

Cost is \$25 per family – all proceeds to Lendrum Park Redevelopment. All children & teens must be supervised by an adult.

A few helpers are needed to make this event a big success! Get in touch with Erin at [e.n.sawyer@gmail.com](mailto:e.n.sawyer@gmail.com) to RSVP and volunteer.

**Lendrum hosts July 1 Cycling Race**

Once again July 1st will see our community hosting the Canada Day Criterium. Roads around Lendrum will have restricted parking and road closures will be in place.

This is a fun day so come out to cheer the cyclists on and enjoy a burger and beverage with proceeds going to the Lendrum Park Development Fund. There will also be a Kid's Bike race which is great fun for everyone!

If you have questions, please contact Lance at volleyball@lendrum.org. Watch the website and Facebook page for more details.

**Social Events Coordinator Needed!!!**

Lendrum Community League is looking for a new Social Events Coordinator, starting in July 2016. This role is a lot of fun, and can be as busy or as relaxed as you want to make it! Take this chance to hold the events that you and your family and friends will enjoy. It is a great opportunity to meet other members of the community, and bring people together.

This role could also be broken up so if you really enjoy one of the Lendrum events, why not volunteer to run it? Or if you have an idea for an event then suggest it at the AGM and take it on. Many hands make light work!

The volunteer gardeners at the Green & Gold Community garden, on the University of Alberta South Campus, are making plans for our eighth gardening season! The garden, an initiative of the University's Faculty of Agricultural, Life and Environmental Sciences, is totally volunteer run. Virtually all of the seeds, plants and equipment used are donated.

The vegetables, herbs and flowers are "spray-free" (no pesticides or artificial fertilizers are used). Anyone is welcome to 'purchase' their vegetables at the garden and all of the money raised – that's 100% – goes to the **Tubahumurize Association**, a non-profit organization in Rwanda that provides socially and economically marginalized women with vocational training, counselling, life-skills coaching, health care education, and opportunities for sustainable income generating activities. Most individuals who benefit from Tubahumurize are genocide survivors and many are widows or orphans, HIV infected, and survivors of physical and sexual violence. To date, the garden has raised over \$100,000 for the Tubahumurize project.

We are now gearing up for the 2016 gardening season, and are looking for new volunteers to join us at the garden. Both novice & experienced gardeners are welcome. If you aren't interested in gardening, but would like to help in other ways (distributing produce, promoting the garden, donating seeds or garden tools) please contact us at:

# Lendrum Neighbourhood Safety

## Be a Pace Car!

Cut speeding in our neighbourhood by driving a Pace Car. Pace Cars are “mobile speed bumps” that drive the speed limit to set the pace for traffic.

To be a Pace Car:

- Obey the posted speed limit.
- Stop for pedestrians crossing the road.
- Show courtesy to cyclists and other road users.
- Avoid distractions by paying close attention to the road.
- Minimize car use by choosing active transportation, carpooling, and transit whenever possible.

For more information visit: [http://www.edmonton.ca/transportation/traffic\\_safety/pace-cars.aspx](http://www.edmonton.ca/transportation/traffic_safety/pace-cars.aspx)

# 100In1Day

Edmonton · 2016

## TRANSFORM YOUR CITY ON JUNE 4

### Small actions. Big CHANGE.

What if hundreds of people united, each taking one small action to improve their city, all on the same day?

**100In1Day** is a global festival of civic engagement coming to Edmonton for the first time on June 4, 2016. Imagine the possibilities for our city if hundreds of people united to participate in small initiatives to spark change. The long list of project ideas includes chalk murals, art installations, flash mob dance parties, and pop-up street furniture.

Join the movement today by submitting your project, participating in a workshop, and helping to spread the word.

## Abundant Community Initiative

We're hoping to continue to increase and support ongoing community connectedness here in Lendrum Place!

The Lendrum Abundant Community Initiative promotes:

- Creating strong neighbourly connections on every block in Lendrum, which contributes to a culture of care and belonging in our community.
- Sharing your ideas about Lendrum to help the Community League lead the neighbourhood into the future.
- Finding others in the neighbourhood to share in activities and interests that you and your family also enjoy – or want to try out!
- Sharing your abilities and skills with others to make our neighbourhood an even better place to live!

### How can I get involved?

At the heart of the initiative is a Block Connector – a friendly person on every block who initiates a casual conversation with each household on their block about:

- Their vision for the neighbourhood.
- Activities and interests they would like to participate in with Lendrum neighbours.
- Skills, gifts or abilities they are willing to share with neighbours or the community.

When you become a Block Connector for the Lendrum Abundant Community Initiative:

- You help to shape community life.
- You create relationships through the formation of new groups/associations of shared interests within the neighbourhood.
- You connect the gifts, skills and abilities of neighbours to other neighbours & the neighbourhood.

We already have some enthusiastic Block Connectors, but we still have quite a few blocks without one. If you think you would be a great Block Connector, or know someone who would be, please connect with us! We provide the tools and support to help you succeed as a Block Connector!

To jumpstart this, Block Connectors use a “Neighbour Conversation Guide” to record the information and answers they find out from their neighbours. The idea is that we can then start to connect neighbours on the basis of the actual interests and abilities of people in the community.

We're also hoping to get Block Party's happening on as many blocks in Lendrum as we can this spring/summer/fall. If you'd like to learn how to get one off the ground we'd love to help! And just recently the City of Edmonton eliminated the fee to block off roads for block parties!

If your block currently has a Block Connector, he/she will likely be by to chat with you sometime soon. If you'd like to learn more about being a Block Connector or having a Block Party, please contact Stew and Anola Carson, [stewcarson@shaw.ca](mailto:stewcarson@shaw.ca). Or drop by for a visit at 5507-113 street, 780-604-0388.

### There are many ways to stay connected to the community!

1. Check out the newly redesigned website at [www.lendrum.org](http://www.lendrum.org).
2. Follow us on twitter @LendrumYEG
3. Join our Facebook page [www.facebook.com/lendrumyeg](http://www.facebook.com/lendrumyeg)

Wasn't that a party!?! The crowd last Saturday evening was incredibly vibrant and enthusiastic. I saw people that I see at every event and people that I had never seen before. All of the items sold and many sold for more than face value. The generosity was amazing. This great outpouring of support means we are so close to our fundraising goal for the final phase of the park redevelopment. A few more bottle drives, our book sale, maybe a door to door campaign, and we will be there.

I was lucky to work with a great group of people to help organize the silent auction. The committee members all did a great job in seeking donations, running errands, delivering postcards and more. So a huge thank you to all of them for their hard work.

Also a huge thank you to all the Lendrumites who come to these events and make that hard work worthwhile. Something that I have noticed at all of these events, is that at the end of the day it doesn't matter who is on the committee, everyone who has stuck around lends a hand in getting things cleaned up and put away. It's this generosity of spirit that helps make Lendrum a great place to live!

Have a wonderful summer!

Erin
