Membership Renewal

It's that time of year again! All community league memberships expired on August 31, 2017.

Your annual community league membership fee helps the Lendrum Community League provide:

- Enhanced facilities, such as the play areas, naturalized area, athletic fields and the community hall
- Community events such as the Summer BBQ, Winter Festival and New Year's Party
- The Lendrum Living newsletter and website
- An opportunity to share ideas with your neighbours and work together to promote positive change in your community.

Be sure to renew yours to take advantage of all the great things the Lendrum Community League has to offer (awesome events, five free swims, skating, voting rights, soccer and more!)

You can find the membership form on page 11 or at lendrum.org. Don't delay sign up today!

Bottle Drive

for the Spray Park

Saturday, October 14

Volunteers needed!

If you can help 9-10am day of or delivering flyers please contact Julie at juliemoehler@gmail.com

Greetings

President's Message

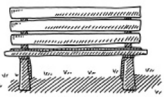

What a wonderful summer season it has been around Lendrum. So many beautiful yards and kudos to our team of volunteers keeping our fields and green spaces looking so fabulous. The Canada Day bike race was again a big success. Our August camp out had record attendance. And now, finally, the construction has begun for the spray deck. There is a lot going on in our community.

The Community League has a few challenging jobs ahead this year: finalizing a strategic plan, developing policy around hall rentals and programs, and beginning the long process of assessing our aging facilities and creating a capital plan. As always, we welcome your input on these, or any other issues you might have. And your participation is welcome; we meet the first Monday of the month (unless it is a holiday) at 7pm at the hall.

Finally, it is membership renewal time! Get your new membership through lendrum.org or fill out the form from the newsletter. Membership gives you a voice on the executive, limited free swims, access to the hall, rink and volleyball courts, and discounts at various events around the city.

Gary Goulden
president@lendrum.org

Next Community League Meetings
Monday, Oct. 2, 7pm
Monday, Nov. 6, 7pm
at the hall

Lendrum is seeking donations of park benches

The City's Benchmark program was established to offer individuals and groups the opportunity to honour friends and loved ones, or to celebrate special events through the rebuild of an existing park bench, or the installation of a new bench. A bronze plaque will be placed on the bench to serve as a lasting tribute. Opportunities also exist for park tables.

Type of Bench	Cost	Includes
New Park Bench	\$4000	Installation of new bench on parkland with memorial plaque. Includes 10-year maintenance plan.
Existing Bench	\$4000	Complete rebuild of an existing bench with addition of a memorial plaque. Includes a 10-year maintenance plan.

For more details, check out: http://www.edmonton.ca/programs_services/tribute_honour/benchmark-program.aspx or contact Harvey Guhl at 780.504.7046.

Civics

Rezoning of Korean Church

The church located in Malmo at 51st Avenue and 111 Street as well as its adjacent lots to the west was recently rezoned to allow the church to expand and construct a sign. The site was previously zoned RF1 - Single Detached Residential - and was rezoned to US - Urban Services. US zoning is used for schools and churches.

Infill Presentation ... Maybe

The City might give a presentation to Lendrum residents on the subdivision process and construction practices. The date is yet to be set and will likely be after the election. The date will be posted on the Lendrum website and in the Lendrum newsletter. Please contact civics@lendrum.org if you would like an email notification.

Within Lendrum, a lot subdivision occurred on 113A Street in 2016 and a second subdivision occurred in 2017 on 56 Avenue.

Farm Land Title

The South Campus Neighbourhood Coalition

is a joint partnership of Lendrum and other communities around the university farm. The Coalition provides input to the university regarding the farm's development. The University of Alberta Property Trust is charged with developing some lands on the farm. The trust has a new website at the following location: ualbertapropertiestrustinc.ca

The university asked the private firm of Field Law to summarize any conditions on the future use of the farm land made by previous owners. That report is at: <http://www.lendrum.org/comsouthcampus.html#fieldlaw>

51 Bus Route

Starting September 5, 2017, Route 55 will continue to serve the neighbourhoods of Malmo and Lendrum. ETS will also introduce two new routes, Route 318 and 319, which will operate every 60 minutes during weekday midday and Saturdays. There is additional information on the Lendrum homepage.

Got questions? Email Stephen at civics@lendrum.org.

Park Redevelopment

The project is several weeks delayed but construction work is now underway. The project contract was awarded to Aspen Pride contracting. Spray decks typically take 8-12 weeks so much of it will (hopefully) be done in the fall and some will have to be finished in the early spring with the fencing remaining over the winter.

The delay has largely been due to the City's change in process for awarding bids, which has delayed all park projects.

Due to the project bids coming in approximately \$50,000 over the city's estimated amounts we are continuing our fundraising efforts with another bottle drive on Saturday, Oct 14. If you are available to help out with flyer delivery for the bottle drive or on the day of (9-10sih) please contact Julie Moehler at juliamoehler@gmail.com

Thanks for all your support!
Allison
fundraising@lendrum.org

For a larger image of the spray park check out the Lendrum website.

Park Notes

Wasn't Lendrum Park a busy place this summer? The fields, the playground, the courts, the hall, the paths and the berry bushes. Thanks to the many volunteers inspired by the example of Harvey Guhl and his crew, our park is a glowing green gem at the heart of our neighbourhood.

A big thank you to the following Lendrum residents who volunteered a total of 75 hours improving Lendrum Park in evening workbees from June to September 1st - Art Bohnet, Joe Eustace, Greg Falkenstein, Peggy Folinsbee, John Folinsbee, Bonnie Herring-Cooper, 'Monty' Montgomery, Pam Smith and Vera Watson.

Another big thank you to the 36 University of Alberta students who volunteered a total of 72 hours labour on their 'day of service', September 1st. Hosting so many volunteers was possible only because of the Lendrum residents who supervised them so a big thank you to Art Bohnet, Coleen and Alfred Falk, Harvey Guhl, Bonnie Herring-Cooper, Gerard Masse, Gord Okamura, and Jennifer Purves, as well. The tasks completed complemented the work done in weekly workbees: edging, weeding and

mulching ornamental beds; cleaning nest boxes and weeding the natural area; sweeping the gutters of the parking lot; cleaning the paths and decorative pots by the hall.

We had more U of A students and community volunteers than ever. Please tell them "thanks" when you see them.

Bonnie Herring-Cooper, Master Gardener

Lendrum Naturalized Area

Maybe I'm wearing rose-coloured glasses, but it seemed to me that there may have been slightly fewer thistles than in past years?? Let us hope. There were lots of birds interested in and occupying the nest boxes again this year. And the really big exciting news is many of the holes in our bee hotels were occupied! Also the little patch of nettles provided essential habitat for red admiral butterfly larvae. There was lots of colour in among the grasses as our native plants seem to be thriving. Once again we had a bumper crop of Saskatoon berries and lots of Lendrum folks were out picking and enjoying them.

Peggy Folinsbee, Master Naturalist

School News

École Avalon School

Avalon Junior High is now in its 52nd year in the Lendrum community. The school remains a balance between French Immersion and regular (English) programs. We have students attending the school from all across the south-west neighbourhoods. The school continues its traditions of strong academics, athletics, and arts.

The school building also continues to be up-dated as the foyer washroom has been renovated to provide wheelchair access, as well, the exterior windows are scheduled to be replaced over the fall months.

The school continues to benefit from the excellent sports fields and parks that are maintained by the community. We enjoy the best sports fields of any junior high in the city!

Community members are always welcome to come visit the school to take in a sporting event, music concert, or even the Open House. We also appreciate community members reporting to the school about any vandalism or student issues occurring on school or community property.

Lendrum Happenings

Annual Summer Campout!

The annual summer campout saw a record number of participants this year with over 65 people in attendance at various parts of the evening and 41 people joining us for breakfast. Thanks for the great turnout and a fun time!

Turkey Trot

Come out to Lendrum Hall on Sunday, September 24 at 10am for our annual Turkey Trot! Come with your family for a 3 km stroll around our neighbourhood, or try out the 5 km run – but more importantly, come to enjoy time with your neighbours.

All are welcome – families with strollers, folks with bikes or rollerblades – and every participant is entered in the draw for a Thanksgiving turkey! Hope to see you there for a fun time together in the autumn colours.

Who's Who (in the LCL)

At our strategic planning session, it was suggested that we share a bit more information about the various roles in the LCL (Lendrum Community League) and the people who currently fill them. This will be a new regular feature in Lendrum Living. This issue we will learn about Stephen, our civics representative.

1. Name: Stephen Dobson

2. What is your role?

Lendrum Civics Representative - I work with the City and other levels of government on projects of interest to the League, usually in relation to zoning, bylaws, traffic, and transportation. I am also chair of the South Campus Neighbourhood Coalition as an extension of the civics role and member of the UofA Community Consultation group (which meets irregularly) and the Central Area Community Leagues group (which doesn't seem to meet anymore).

3. How long have you been doing this role?

I have been the Lendrum Civics representative for three years, since May 2014.

4. How long have you lived in Lendrum?

I have lived in Lendrum since 2008. I also attended Saint John's Anglican Church from 1975 to 1981 and went to Scouts there at about the same time. I lived in Lansdowne from 1971 to 1991 and in Parkallen, Garneau and Allendale since 1991 and so am very familiar with the area. I went to Lansdowne Elementary, Grandview Junior High, Harry Ainlay High School and the UofA. I work for the provincial government.

5. Why did you take on this position?

To contribute to the community given the support community leagues have given my family. My daughter went to girl guides in the Lendrum community hall for 4 or 5 years. She went to soccer and guides in several other community leagues as well.

6. How much time does this position take?

This position can take a much time as a person likes. I am trying to keep the position to a minimum now. Say 60 hours a year.

7. What do you like about this role?

I have a greater understanding of the issues in the community and in the city. It is interesting meeting our city councillor and MLA occasionally. It is also interesting to see how zoning rules are applied.

Watch for more interviews in upcoming issues!

Think you might have time to volunteer in the LCL? Let us know and we would be happy to discuss open positions!

Have you enjoyed the chilli cook-off in the past? How would you like to host it?

The Lendrum Community League is looking for an event host to organize the chilli cookoff in November. This is a popular and fun event that requires a minimal time commitment. For more information or to volunteer contact Gary Goulden at president@lendrum.org.

Lendrum Community League Membership Form

Your Lendrum Community League Membership is valid from September 1st to August 31st.

You are welcome to join anytime, though please note, all memberships expire annually on August 31st .

Family Membership - \$40

Individual Membership - \$25

Senior Membership - \$25

Please complete the membership form below and drop off or send via Canada Post with a cheque payable to **The Lendrum Community League** to:

Membership c/o Joanne Hamel
11223 - 57 Ave. NW Edmonton, AB T6H 0Z7

If you need to make a cash payment, please contact Joanne Hamel directly at 780-454-5111 or memberships@lendrum.org

Do not send cash through the mail.
Do not leave cash in the mailbox.

If you prefer you can purchase your membership online at the Edmonton Federation of Community Leagues EFCL Membership webpage www.efcl.org/membership. Online purchases have an additional \$5 administrative fee.

Date: _____

Membership Type: \$40 Family \$25 Individual \$25 Senior

First & Last Name of each adult requesting membership

May we send you news by email? Yes No

These would include emails such as: the Lendrum Living Newsletter & bulletins, requests for volunteers, and Lendrum Community League business.

You may withdraw your consent at anytime.

Names of children in household MM/YY M/F

I am interested in volunteering:

- a few hours here and there
- plan an event as a Community Host
- to run a Community League Program
- as a Coordinator on the Board
- on a committee for an event
- other special interests or skills:

Your house address and postal code

****New this year, you can now pay for your community league membership by e-transfer. To pay by e-transfer simply notify Joanne (membership@lendrum.org) that you are paying by e-transfer, and provide her with the password. Send the e-transfer to treasurer@lendrum.org****

INTERESTED IN AN EV (ELECTRIC VEHICLE)?

COMPARE WITH GAS

The typical modern car is not efficient, it is only 25% to 30% thermally efficient in ideal conditions. For a specific example, let's consider the Prius, not your typical car, actually much more efficient. Even a third generation Prius is 38.5% thermally efficient: this means 61.5% energy is wasted as heat.

The typical energy split in gasoline internal combustion engines is as such: 25% effective power for mobility and accessories, 5% loss in friction and parasitic losses, 30% to coolant, and 40% in exhaust gas. Burning fossil fuels creates emissions: CO₂, N₂O, SO₂, and particulate matter.

Regular gas and diesel vehicles have a narrow RPM range which necessitates complicated transmissions. They are inherently noisy with lots of vibration.

Electric drive offers very high energy efficiency - 80% to 95%. There are zero tailpipe emissions. An EV has the potential to be pollution free.

EVs have very quiet operation with almost no vibration. They have a very wide efficient RPM range, and full torque at 0 rpm means no transmission is needed. Electric motors have one moving part, and require almost no maintenance. They cost much less to operate compared to a gas car.

The current charging technology is slow compared to a gas fill-up, and the charging infrastructure is not yet widespread - also compared to gas station infrastructure. However both these things continue to advance in favour of electric vehicles. Also changing is battery technology, meaning the limited range of an EV is evolving.

EVs are currently not practical for large, long range, heavy haul vehicles. We definitely still need oil and gas. The question is, why are we wasting it on the typical car?

Electric motors will happily accept power from any source. This does mean that electric vehicles are only as clean as their source of electricity, which is something to consider in Alberta. (The local emissions intensity in AB is approximately 60X that of BC, due to the huge amount of coal burnt in AB for electrical needs.). Can we change this in our own backyard? Yes we can! Next newsletter we will look at how to have a nearly pollution-free EV, and compare different models with typical gas-run cars.

Thanks for reading and have a sunny day,
LCL member, Pamela Smith

The source for this article is Mechanical Engineer Jesse Tufts' Electric Vehicles 101 course, offered through SESA. Check out SESA.org for their FREE fall seminars.

Lendrum Neighbourhood Safety

A number of incidents have been reported recently, including a garage break-in and theft of license plates from vehicles parked on the street. Please be sure to lock your garages and consider the use of deterrents such as motion detectors lights in dark corners. Please also report all incidents to the police. You can report crimes online at <http://www.edmontonpolice.ca/ContactEPS/OnlineCrimeReporting.aspx> and the EPS even has a mobile app!

The community league hosts a power flow yoga class at 8:15pm on Thursdays at the community hall, if you are interested in joining the next session contact Erin at e.n.sawyer@gmail.com.

**Please contact Gary Goulden
with any ideas for possible new
programs
780.450.0927**

Blue Chair Tai Chi:

Mondays 9-10:30am Lendrum Hall

Fridays 9-10:30am Lendrum Hall

Sorry, we do not offer beginner classes. If you know the 108-move Moy-style set, please join us in practicing at an intermediate level. Call Kathy at 780.435.0738.

Lendrum Parents Meetup

Are you a parent in Lendrum? Are you interested in connecting with other parents in Lendrum for nights out, playdates and meetups? Join our Facebook page - Lendrum Parents.

Rhymes, Songs & Storytime

This interactive group for parents, caregivers and children has a structured and repeated routine which helps children increase their memory and language skills. For children 0-3, (siblings welcome). Tuesdays, Sept. 19-Dec. 12, 10-11am at the Lendrum Community Hall.

Music and Motion

Enjoy songs, parachute play and action games. Mondays, Sept. 18-Nov. 27, 10-11am at the Pleasantview Community Hall. Ages 2-6 (siblings welcome).

Lendrum Men's Night

We host a Lendrum Men's group at the Community Hall the last Friday of each month between 4:30 and 7:00 p.m. There will be beer and snacks. You are welcome to come for a few minutes or the entire time. Drop by with a few dollars to socialize and have a beer. Meet new people and get to know your neighbours or talk about old times with your old neighbourhood friends.

Drop-in Knit and Crochet Group

We meet on the first and third Tuesdays of the month, 6:30 pm to 9 pm at the Community Hall. All levels and genders are welcome. Cost is a toonie a time. Phone Heather Jenkins at 780.436.7011 for more information. Upcoming dates: Oct. 3, 17; Nov. 7, 21; Dec. 5, 19

Lendrum Fitness

Join us Friday mornings from 5:30-6:30am at the Hall for a fun workout mixing cardio and core. Contact e.n.sawyer@gmail.com.

Lendrum's Pottery Group

Did you know that a pottery group runs out of the north end of the Lendrum Community Hall? Here is a brief history of the group. To view their work, check out one of their two annual sales. For more information about the pottery group, contact Joy Schlaut at 780-434-1997.

January 1970 marked the beginning of the Lendrum Pottery Group. Instructor Pat Galbraith obtained a grant to cover the groups' costs. Community League members gathered in the changeroom of the Lendrum Hall to learn pottery.

Working on their laps with cloth covered plywood and rolling pins from home, instruction began with simple hand building techniques and progressed over time.

A kiln for clay firing was available at the Duggan Health Centre. The group was able to use the kiln with the understanding that they would accept Health Centre clients as members when requested.

Back at Community League Hall, the bisqued pieces were painted with purchased low fire glazes and were taken back to Health Centre for repeat firing procedure. This routine carried on for two years.

In **1972** the Pottery Group bought its first kiln, which was housed in the main room of the Community Hall. This kiln was capable of medium temperature firing making it safe for cookware. There was no instructor so members used books for inspiration and guidance. Over the years the Group brought in paid renowned Edmonton potters such as Linda Buhlman, Betty Schultz, Peggy Heer and Jackie Lemieux for instruction.

In **1973** we purchased our first wheel built by Edmontonian Chuck Bryan (this wheel is still in use today). At this time there were 3 change rooms in the Hall. The central large change room became the first designated pottery room. It was also in 1973 that the group started to make their own glazes.

From **1976-1978**, Betty Anne Stromsmoe ran pottery classes for children. The Community League helped the Pottery Group out at this time by constructing a small, enclosed space for the kiln and had three well designed cupboards built to hold pottery pieces.

In **1985** the Pottery Group bought their 2nd kiln.

During **1992 and 1993** the Community Hall underwent renovations. The Pottery Group moved to its present location on the north side of the building, which had previously been a second change room. During the renovation our kiln was damaged. The Group purchased our 3rd kiln in **March 1993**.

In **1995**, the Pottery Group bought its 2nd wheel (still in use). It is completely automated, which allows people with disabilities to throw on a wheel.

In **1996**, the Pottery Group purchased an extruder (still in use). In **1998**, the Pottery Group bought a slab roller (still in use)

In **1999**, the Pottery Group performed its first Raku firing with a homemade gas kiln. Glazes have a metallic look and these pieces are strictly decorative. At this time the shed was built and the Pottery Group was given much needed space to store its Raku equipment and pottery sale signs. This was also the year of our first large pottery sale in the Community Hall. Since the inaugural sale, the group has held two sales a year.

In **2011**, the Pottery Group bought its 4th kiln.

Pottery Group Today

Our membership currently sits at 10 to 12 persons with preference given to Lendrum Community members and existing Pottery Group members.

Over the years the Lendrum Pottery Group has been self-sufficient - having public pottery sales, and charging registration fees and clay costs to members. We have purchased all our equipment and pay for our own repairs and supplies. Since 1972 we have paid \$10 per kiln load to the Community League and since 1993 we have shared 10% of our registration fees with the League.

On behalf of the Lendrum Pottery Group we would like to say thank you to Lendrum Community and its League executives over the years for giving us their support and space to pot.

Betty Anne Stromsmoe, Founding Member, 1970 Lendrum

Janet Janke, member since 1987, Parkallen

Joy Schlaut, member since January 1997, Lendrum

Calendar of Events

September 24 Lendrum Turkey Trot, 10am
 October 2 Community League Meeting 7-9pm
 October 14 Community Bottle Drive, 9am
 November 6 Community League Meeting 7-9pm

All events at Lendrum Hall unless otherwise noted

How would increasing fibre benefit your health?

Participate in a study on how **bacteria in your gut unlock** the health benefits of fibre!

You'll receive a *free* **dietary counseling** session with a registered dietitian and a **reward**

Version 3 - May 22, 2016

Malmö Pre-Kindergarten is a non-profit parent cooperative preschool that promotes a learning through a play environment. Malmö Pre-Kindergarten believes that play enhances the growth and development of the whole child: physically, socially, emotionally and intellectually. It is through play that children learn to make sense of their world.

We still have some spots available at the Preschool for the 2017-2018 school year.

Room 15 at Malmö Elementary School
 4716 - 115 Street,
 Edmonton, Alberta

3 Year Old Program

AM Sessions:
 Tues & Thurs 9am - 11:15am

PM Sessions:
 Tues & Thurs 1pm - 3:15pm

4 Year Old Program

AM Sessions:
 Mon, Wed & Fri 9am - 11:15am

PM Sessions:
 Mon, Wed & Fri 1pm - 3:15pm

There are many ways to stay connected to the community!

1. Check out the website at www.lendrum.org.
2. Follow us on twitter @LendrumYEG
3. Join our Facebook page www.facebook.com/lendrumyeg

The times they are a changing. When I first moved to Lendrum I was the mother of a preschooler with another on the way. We spent much of our first couple of summers at the playground, and it was great. There were other moms and dads to talk to and other little ones to play with. It's amazing how fast that period of life goes by (and I'm sure many of our long-time residents can attest to this). Already I feel like our days are busier and there is less time for the playground. So it was bittersweet to watch the little wooden playground get torn down last week and my eldest even expressed her sadness about its demise. The promise of a brand new spray park does little to alleviate the sting of sorrow when the future seems so far away (in the mind of a 7 year old, a year feels like a lifetime).

But the new spray park design looks fantastic and next summer I have no doubt that my children, and, perhaps, even I, will be running through the water with glee. We will have to be sure to take the time to create new park memories.

Speaking of parks, please keep in mind that there are new speed limits around parks. While we have been fortunate to have the 30km/hour speed limit around our playground and sports fields, that limit is now in effect for all elementary and junior high schools and parks (playgrounds, sports fields, ball diamonds) in the city. So be aware of your speed in those areas!

Feeling nostalgic,
Erin
