## LENDRUM WINTER FAIR Sunday February 24

This year's winter fair will be Sunday, February 24, from 12-4. Come down to the hall for a sleigh ride, an outdoor fireside chat with friends, skating, sledding, and fun outdoor games for all!

There will be outside and inside games to play, snowshoes for tramping about, and a horse and sleighride all afternoon. Join in a game of shinny or a sledding race down the hill! Decorate a snowman with snow graffiti! Enjoy indoor games for all ages, and a mug or two of hot chocolate to warm up. But most importantly, good company with good neighbours!

If your surname is A-K please bring a savoury snack to share. If your surname is L-Z please bring something sweet. Beverages will be supplied. Volunteers are needed and very welcome - please contact Georgina (ghawkeye@gmail.com 780-920-2616)

\*\* please note there was typo in the previous edition of the newsletter. The Winter Fair is taking place Sunday February 24. Thank you

## President's Message

Happy New Year Lendrum! The change in the calendar often causes reflection and a chance to look ahead. The league executive will soon be preparing for our Annual General Meeting, April 1. This is an opportunity for residents to consider getting involved in keeping Lendrum a vibrant community to live in. Currently we are looking for a casino coordinator.

I also would like to let everyone know this is my last term as president. I announced at the last AGM that I would stay for one more year and that will come to a close this April. I accepted the position over 7 years ago so that we could move forward on the playground redevelopment. Now that those projects are completed, it is time for me to take a break. It would be fantastic to have a replacement to step into the president's role so there is a seamless transition. I will be happy to discuss the role and what is involved - phone 780-982-8738, email [president@lendrum.org](mailto:president@lendrum.org) or we can arrange for a coffee chat.

## Message from Councillor Walters

Happy New Year Lendrum, I hope the holidays and start of 2019 have treated all of you well.

Council has hit the ground running since returning from the holiday recess. On January 15th the Urban Planning Committee discussed the First Kilometre/Last Kilometre report. This report was developed to address the reduction in community bus service as a result of the Bus Network Redesign (BNR) set for 2020. First Kilometre/Last Kilometre addresses how people travel for the first and last kilometres of their daily commutes.

As part of the BNR, Administration has proposed replacing Lendrum's Route 55 bus with a more frequent but shorter route service. This new bus would link Lendrum with Malmo Plains and Southgate. It would run every 30 minutes from 6:00am-6:00pm on weekdays and 8:00am-8:00pm on weekends. The entire route is estimated to take around 15-20 minutes. I have requested a more detailed breakdown of the bus route, and I will continue to advocate for the interests of Lendrum residents in the BNR. I will share updates about anticipated changes to Lendrum's bus service with your community as I receive them.

Snow and ice management remain top of mind with many Edmontonians concerned about unclear rules for when snow must be removed. Current City guidelines dictate a 48 hour grace period after a snowfall with exceptions for businesses, chronic offenders, or in exceptional circumstances such as consecutive days of snowfall or ice-covered sidewalks.

Lendrum offers a free of charge community sandbox for all residents to use on their sidewalks. If you have a concern about snow removal or if your community sandbox is empty, you can call 311 for assistance. If you are a senior in need of help with snow removal, you can find low-cost, pre-screened options with this link: [https://www.edmonton.ca/programs\\_services/for\\_seniors/help-around-the-home.aspx](https://www.edmonton.ca/programs_services/for_seniors/help-around-the-home.aspx).

The City has upgraded the safety features at the 60th Avenue LRT crossing in response to the tragic death of an Edmontonian there in October 2017. Signalling has been improved at the crossing and mechanical arms have been installed. While these improvements can never bring back the life that was lost, they greatly reduce the risk of such an accident ever recurring. As your City Councillor, I will continue to look diligently into ways we can make Edmonton public transit safer for everyone.

If you have any comments, questions or concerns please don't hesitate to contact my office by phone (780) 496-8132 or by email at [michael.walters@edmonton.ca](mailto:michael.walters@edmonton.ca)

*Michael Walters*  
Councillor, Ward 10

## Update On New Alberta Health Services Lab

In December, Alberta Health Services announced the location of the parking for the new lab being built north of the school for the deaf. It will be a 500 car lot situated on the existing school for the deaf's soccer field. A replacement soccer field will be on the school's north wing which will presumably be demolished. You can see the plan and make comments at the project's website under "project updates".

The website is:  
<https://together4health.albertahealthservices.ca/edmonton-lab-hub>

## Infill Bylaws

On December 10 city council approved the building of semi-detached houses - also known as duplexes - in single-family zones. Most of Lendrum is zoned as a single-family building zone. Prior

to the rule, builders would have to ask special permission to build a duplex.

## Cross Country Skiing

Are you interested in cross country set tracks on the university farm? Grandview is exploring the possibility of tracks for the farm field between it and Landsdowne. A challenge would be the constantly blowing snow on an open field.

Email [civics@lendrum.org](mailto:civics@lendrum.org) if you would use set tracks.

## Come play soccer with Lendrum Community this season!

Outdoor soccer is affordable, fun, and a great way for your child to meet other children in your community. Outdoor Soccer begins the 1st week of May (weather permitting) and ends late June, except for teams proceeding to post season play (U13-U19) who may play into July & August.

Outdoor Soccer Registration starts February 1st and ends February 28th. Registration is a two-step process:

1. Parents must go to the SWEMSA website ([emsasouthwest.com](http://emsasouthwest.com)) to enter player details and print off forms. You can pay online or at the in-person registration.
2. Come to one of the in-person registrations at the Lendrum Community Hall (11335-57 Avenue NW) taking place:

February 16th from 2 pm to 4 pm

*“Lendrum Rush Hour”  
Paul Lemothe*

February 23rd from 9 am to 11 am

Remember to bring the printed forms, proof of age and residence, deposit cheques (one \$50 uniform deposit per player, and one \$50 volunteer deposit per family), and registration cheques (if not paying online).

You must be a Community League Member to play community soccer. Memberships may be purchased online (via [www.lendrum.org](http://www.lendrum.org)) or at the Community Hall during soccer registration.

Our community soccer program is completely run by parent volunteers, so I invite all families to pitch in and help make the upcoming season amazing! There are countless ways to help, including coaching, coordinating referees, organizing equipment, and helping out at the season wrap-up party.

If you have any questions please feel free to get in-touch!

LENDRUM LIVING

Hello/Bonjour Lendrum!

At École Lendrum School, we are very excited to begin our Alien Inline skating residency, courtesy of our PAC. We appreciate this opportunity for our kiddoes to learn a new skill, or to reinforce learning from before! It's always fun to challenge ourselves.

February 6th is Winter Walk day, and Mrs. Stout has officially registered us for this provincial endeavor. We will be taking the time to get outside during instructional time in order to celebrate living in Edmonton, where Winter Walk Day could occur at any point over a six month period! Classes will be sharing their plans via SchoolZone.

We have students participating in the Harriers Relay Series at the Kinsmen Facility on January 25th, and at the upcoming Running

Room Games at the Butterdome near the end of February/beginning of March. On February 20th, we have 4 Grade Six girls participating in the WISEST Science day at the University of Alberta, encouraging young women to pursue the Sciences. To mix in some fun, we have Read In Pyjama Night on January 24th, Plaid Day on January 25th, PAC Hot Lunch on January 28th, Crazy Hair/Hat Day on January 31st, and Red, White, Pink, and Purple day on February 14th.

Our Kindergarten registration begins soon! You can access information at: <http://lendrum.epsb.ca> or at [www.epsb.ca](http://www.epsb.ca). Our official Parent Information Night for new Kindergarten students will be Wednesday, March 6th, from 18:30 to 19:30. This is intended to be a quick presentation to parents registering their children for September, 2019. We ask that it be an adult event, as we invite our future students to come visit the school in June.

That is just a taste of our next little while at Lendrum. We thank our PAC/School Council and extended Lendrum community for their support! Best wishes for a great month ahead.

## Lendrum School Bottle Drive Friday March 8, 2019

The community league will not be having a spring bottle drive this year, in order to support Lendrum School. We will have our community bottle drive in the fall.

The school bottle drive will be on Friday, March 8, 2019. The plan is to have a collection trailer set up at the north entrance to Lendrum School, just off of 113 A Street.

We'll have parent reps waiting to collect bottles before school (from 8 to 8:40 am), then at lunch time (from 11:30 am to 12 noon), and then again after school (from 3:15 pm to 3:45 pm). People can drop them off at the collection time that suits them best. Please take any donations straight to the trailer outside and not inside the school.

If there are people in the neighbourhood who would like to donate bottles but are unable to get them to the school, please email us at [lendrupac@gmail.com](mailto:lendrupac@gmail.com) and we can arrange to pick them up on March 8th.

All proceeds will go towards funding activities and events for the students of Lendrum School. Thank you for your support!

This was the first year my family have been able to participate in the Lendrum New Year's Day celebrations and I want to extend a big thank you to all the volunteers who made it so successful.

Special thanks to Julie and Ira Moehler, who donate additional fireworks for a truly spectacular display; to Matthew and Ben, for setting off the fireworks; and to Georgina Hawkeye, for organizing such an enjoyable community event.

It was such a lovely way to celebrate the new year and a good reminder that winter can be a wonderful magical season - provided you're bundled up appropriately.

So while I'm sure a few of us are dreaming of spring, get out there and enjoy the sunshine, sledding, skating and everything else this warm friendly neighbourhood has to offer.

Happy 2019 Lendrum!
