## Come Join Us At The Annual Lendrum Summer BBQ!

**Sunday June 23, 12 - 4 PM**

Come out to the playground and spray park to celebrate the end of the soccer season and the beginning of summertime in Lendrum! Enjoy the barbeque, bouncy castles and glitter tattoos, and pick up a few books at our annual book sale.

This is a great start to summer, and all community members are welcome. We look forward to seeing you there.

Volunteers are always needed and much appreciated.

Please contact Julie Moehler at [social@lendrum.org](mailto:social@lendrum.org).

## President's Report

Hello! This is my first newsletter since taking on the role of President at the Community League. Thanks to Gary for all his years of service in this role! We haven't let him escape the League entirely though as he has agreed to spearhead an Infrastructure Development Committee that will be taking a look at what projects our community feels should be undertaken in Lendrum (maybe a new hall?). This means that the League will be reaching out to community members via our website, on Facebook, at events and potentially even door-to-door this summer to get a sense of what is important to our residents. Watch for opportunities to complete our questionnaire this summer, we hope that you will take the time to complete one by whichever means suits you best!

In other news, we are seeking community volunteers to help out around the park area. Our long-time field coordinator has had to step down from this role. You may not know but community volunteers are why our fields look so amazing. It is volunteers that run the irrigation, fertilize when needed and maintain the ornamental beds. If you think you might be able to give some time to help out that would be greatly appreciated. You can email [president@lendrum.org](mailto:president@lendrum.org). We need people to help with mowing, irrigation, weeding and fertilizing. Any little bit of time would help and you get to meet fun neighbours in the process. Win-win!

Here's hoping this beautiful spring weather will continue, Erin

## Message from Councillor Walters

Hello Lendrum! As always, it's my pleasure to provide your community with some updates from City Hall. Earlier this spring, my office conducted research on 311 data to get a better picture of the key concerns in Ward 10. The biggest issue in Lendrum was Snow and Ice Maintenance, so having this information means my office will be able to work proactively on the key concerns in our Ward.

In the winter edition of the Lendrum community newsletter, I provided an update about the status of the Route 55. This bus looks like it will be replaced as part of the Bus Network Redesign set for July 2020. The new bus would be more frequent and follow a shorter route linking Lendrum and Malmo to Southgate. The bus will operate with 30-minute frequency 6:00 am to 6:00 pm on weekdays and 8:00 am to 7:00 pm on Saturdays. I have attached an image of the proposed route, subject to some final tweaks.

Crime has risen in Edmonton's southwest, and while we are in better shape than other parts of the city, this rise is unacceptable. On May 25th I held a Ward 10 Community League Presidents' Crime Reduction breakfast. I was happy to have Police Chief McFee and Southwest Police Superintendent Pallas present alongside other law enforcement officials. I am currently working with REACH Edmonton and Southgate Mall to reduce crime around the mall and transit centre. Finally, my office is keeping up to date with the Inter-Neighbourhood Security Task Force, a group of mostly Ward 10 communities working to reduce crime in their communities.

On May 14th City Council passed a motion requesting that Administration come back in early 2020 with a bylaw that would change speed limits on residential roads in the core to 30km/h and 40km/h outside of the core. Coming to a final decision on speed limits will require a lot more information from the cost of signage to potential issues with speed limit complexity.

If you have any comments, questions or concerns please don't hesitate to contact my office by phone (780) 496-8132 or by email at michael.walters@edmonton.ca

Michael Walters  
Councillor, Ward 10

### Block Party

Lendrum residents are great at organizing block parties, but we can always have more!

There is no longer a fee to have your street closed for the party, and it is a great way to meet new neighbours.

If you are interested in starting a block party for your street, there is lots of info on the City of Edmonton website:

[https://www.edmonton.ca/residential\\_neighbourhoods/neighbourhoods/block-parties.aspx](https://www.edmonton.ca/residential_neighbourhoods/neighbourhoods/block-parties.aspx)

# Get to Know Your Natural Area (And Pitch in at the Park!)

Come join your community for walk through of Lendrum's natural area with a local native plant expert who will share her knowledge. This will be followed by a brief spring clean-up of the park space and will end with ice cream for all. We invite Lendrumites of all ages to come out and learn about the park, while pitching in to keep it beautiful. There will even be door prizes!

# Civics

On May 14th, City Council passed a interim motion to make the default speed on local roads 40 km/h. Speed limits for the local roads in the city core limits will be lower. Lendrum is not in the city core.

Council wants the City administration to further consult the public before a final vote is held in 2020.

On May 7th the City's Urban Planning Committee voted to advance the implementation of an "open parking requirement" for new residential and business sites. An "open parking requirement" means that developers can decide how much on site parking is needed. The Committee considered 3 alternatives: minimum, open, or maximum parking requirement rules.

This year, the Edmonton Federation of Community Leagues (EFCL) will re-negotiate the tripartite agreement with the City. The tripartite agreement are the rules that say how a community league can use its hall. Lendrum League is going to ask the EFCL to provide education about how the agreement impacts the use of Lendrum hall.

The City undertook a consultation in March and April regarding the City Plan which is a vision of how Edmonton should look in 40 years. The plan will inform changes to the zoning bylaw. Zoning bylaws say what types of buildings can be built in specific locations. The City administration will report to council in September on the results of the consultation.

The Capital Region Housing Authority plans to demolish the apartments on 60th Avenue in July 2019. Construction will start in November 2019. A six storey apartment building will be built. Lendrum residents were extensively consulted on the design of the building.

The construction of the Alberta Health Services laboratory north of the school for the deaf has stopped. The new government has not yet decided whether to continue construction or not. They are considering their options. Alberta Health Services will inform Lendrum when the decision is made.

LENDRUM LIVING

## TD Park People Grant

Lendrum was fortunate to receive a \$2000 grant from TD Park People to host three events in our community parks this year. The first event “Get to Know Your Natural Area (and Pitch in at the Park)” will be on Sunday, June 9 from 3:00-5:00pm. It will include a walk and talk through the natural area with a local native plant expert, an organized spring clean-up of the park space followed by ice cream for all. We invite Lendrumites of all ages to come out and learn about the park, while pitching in to keep it beautiful. There will even be door prizes!

The second event will be a Saskatoon Berry Festival, tentatively scheduled for July 11, 6:30-8pm. Mark your calendars! We welcome volunteers for any of the upcoming events. If you are interested in more information about this or the other park events please email Bonnie at [bonnie.hc@icloud.com](mailto:bonnie.hc@icloud.com).

## Lendrum Camping Under the Stars

The annual Lendrum Camping Under the Stars will take place on Friday, August 16. Come camp out in your own community! Bring your tent & sleeping bags, enjoy a craft for the kids, and a hot dog & marshmallow roast for everyone! Please bring a campfire snack to share, and we will provide the rest, including pancake breakfast in the morning. If you're not up for sleeping in a tent, come by with a lawn chair and enjoy the evening around the fire pit with neighbours.

The event starts 5:30 PM on Friday and is usually wrapped up by 10:00 AM Saturday morning (breakfast usually takes place around 7:30am).

All children & teens must be supervised by an adult.

Get in touch with your Event Host, Erin by Friday, August 9, 2019 at [e.n.sawyer@gmail.com](mailto:e.n.sawyer@gmail.com) to RSVP or to volunteer.

## CANADA DAY BIKE RACE in Lendrum

On July 1st there will be an Alberta Bicycle Association Sanctioned bike race on the streets of Lendrum. Hosted by Juventus Cycling Club and Lendrum Community League. The race is for amateur provincial races. There are a number of levels of abilities.

There will be a number of activities that Lendrum residents can be involved in, including a kids race and a beer garden. Come out and enjoy the day with your neighbors. The Canada Day Criterium (children's race) will begin at noon.

We are still looking for additional volunteers for the BBQ and the beer gardens. Please contact Lance at [adamson@telus.net](mailto:adamson@telus.net) if you would like to volunteer.

The race course is a closed loop and no cars will be allowed on the course. Residents whose homes are on the course will have access to their homes through the alley.

If you want to cross the course during the day a volunteer will allow you to do so when it is safe.

There will be no parking on the course and if you have a vehicle on the course it will be towed to the nearest safe place. Please move your vehicle to place the easy for you to access off the course and avoid being towed. You will get a notice of the race if you are on the course.

The course is different from last year. Please refer to the map.

# School News

Did you know that École Lendrum School will have 300+ students next year? Wow! With our pre-enrolment process complete, we are very excited to plan and prepare for the 2019/2020 school year! We are very thankful to the many Lendrum community members who have helped make our 18/19 school year a great one. What a lovely neighborhood.

We at Lendrum are always on the lookout for lunch supervision help. If you have even a couple hours a week, we would happily discuss this possibility with you. Our lunch break is essentially from 11:33 to 12:30. Supervisors are asked to be responsible for a classroom of students while they eat in their classrooms (usually from 11:33 to about 11:50), and then ensure the students have cleaned up and make their way to the playground. Once outside, our supervisors interact with the students and help keep them safe. Our supervisors are paid an hourly wage.

If this interests you, or if you have any questions, please contact Michelle or Jason in the École Lendrum School office at 780.434.3588.

Thank you! Merci!  
Have a wonderful summer.  
We look forward to seeing many of you again in September!

Jason Ludwar  
Principal/Directeur

Another school year is almost over. And again it was a great year for Avalon students and staff. We continue to see the school gain a positive reputation in South West Edmonton as an excellent well-rounded school. This reputation, along with the growing French Immersion program, has led to another increase in student registrations for next year. In September the school is welcoming almost 200 Grade 7 students for a total of approximately 545 students. Avalon is definitely a school of choice.

Over the past year the school has seen the lighting be changed inside and out. The new exterior lights are scheduled to be installed in June. Then in the summer, new efficient boilers are being installed along with some upgraded electrical systems. This should keep the school warm through the winter months.

We would like to again thank the Lendrum community for their maintenance of the school fields each summer. The sports field are second to none and the students are always safe and comfortable when playing on the grass.

Thank you again to the entire Lendrum community for accepting the Avalon students who travel from all across Edmonton to learn in our school. We will continue to work with our students to ensure their safe and responsible behaviour on their way to and from school, as well as during the school day.

# Lendrum Food Network

The Lendrum Food Network continues to grow! We kickstarted our second year with a planning meeting and the purchase of a group seed share. We have distributed sharing boxes throughout the neighbourhood so watch out for those on your community walks – individuals who have grown too much of a type of food (maybe....zucchini???) will place them in the crates near the sidewalk for sharing. We also have sharing signs available. These signs would indicate to others that apples on your tree are free to be picked, or that you have extra rhubarb or laneway raspberries. If you are interested in a sign for your yard please email Erin at [president@lendrum.org](mailto:president@lendrum.org) or call her at 587-523-3520.

The Food Network is hosting a seed saving discussion on Friday, May 31, from 7-9pm at the hall. If you are interested in attending please contact Erin at the above email/phone number. You do not need to be a member of the Food Network to attend (although we always welcome new members!). Other events the Network is planning for this summer include a tour of local gardens, a pie-making evening, and our second annual harvest festival (that will include an apple-themed twist this year). The harvest festival is tentatively scheduled for Sunday, September 8th. It is a community potluck and all are welcome! Watch the park sign, the website or Lendrum's social media sites for more information closer to the date.

Given my new role I'm pleased to announce that Keith Fenrich and Janet Smith have agreed to continue coordinating the network. Keith can be reached at [kkfenrich@gmail.com](mailto:kkfenrich@gmail.com) and Janet at [jes83144@gmail.com](mailto:jes83144@gmail.com). Thanks to both of them for taking on this new role!
