How much does your household pay a month on groceries? On gas? How about at department stores and coffee shops?

FundScrip is our new fundraising initiative for park redevelopment. It is a nationwide fundraising program where supporters pay for their everyday purchases (i.e., groceries, gas, household items, restaurants, gifts) with gift cards and a percentage of the value of the gift cards purchased is then donated to Lendrum Park Redevelopment.

The percentage the project receives varies by type of card, generally 2%- 8%. This means that just by paying for your monthly groceries and gas with gift cards you can generate \$25 every month for the project – that's \$300 a year! Imagine if every household in Lendrum paid for groceries on gift cards! WOW!

- It is easy and effective
- It doesn't cost you anything extra
- You don't have to change where you shop or what you buy
- Your everyday purchases add up to make a difference very quickly
- No expiry on gift cards

You can place and pay for your own order at any time at FundScrip with our group code of **R3SHKV** and pay by internet/ telephone banking or Interac.

These orders are shipped directly to the supporter so please share the website and group code with friends and family outside of Lendrum!

With a growing list of over 100 retailers you can find gift cards for basics like groceries and gas but also a large variety of other categories including pharmacy, home improvement, department stores, restaurants, pizza, coffee shops, clothing stores, movies & books, etc.
